

## GCSE 'Last Drop' Revision Timetable 2016

This timetable details Curriculum revision sessions between 11th May and 27th June which aim to prepare students for the exam the next day or later the same day. Where a session indicates 'All Students', this is compulsory to attend. Where a session indicates 'Invitation Only', specific students will be given an individual letter as confirmation containing full details. Where 2 revision sessions clash, students should attend the subject of the earliest exam. The after-school sessions are not compulsory, except for students where stated on their letter.
