

Dear Parent/Guardian

Places available on the fantastic NCS Summer programme!

We'd like to tell you about a once-in-a-lifetime opportunity which your son or daughter can sign up for this summer. National Citizen Service (NCS) is a government-backed programme which is supported by Lymm High School and ran by Warrington Youth Club. NCS helps young people build their confidence and gain new skills while having fun and giving back to their community – the best possible springboard for their future. Whether they're about to start sixth form or college, or preparing to enter the working world, signing up to NCS is one of the best decisions a young person can make.

So, what is NCS? NCS is a unique part-residential programme focused around fun and discovery, plus 30 hours committed to a community project that benefits both young people and society. Young people build skills for work and life, while taking on new challenges and adventures, making new friends, and contributing to the local community. Government backing means that it costs just £35 to take part in our four week summer programme which covers all activities and residential costs. Payment plans are available on a case by case basis.

The NCS team are in your son/daughters school on 9th January 2017 to give them an opportunity to express interest in the programme. Your son/daughter will come home with further information and if they expressed interest we will be in contact shortly. However, if you are interested and want to reserve a place you can go to our website: <http://www.warringtonyouthclub.co.uk/young-people/ncs.aspx>
