Dear parents and carers

Following the appalling and tragic events in Manchester on Monday evening, I wanted to write to reassure you that we are doing all we can as a school to provide support for students. We are in close contact with Warrington Borough Council, Cheshire Police and our own counsellors to ensure that our response is appropriate and that we have the necessary measures in place. There is already plenty of support for those most affected and it is available for others who may need it. Please do not hesitate to contact us if we can be of any assistance to your child or family.

You may also find the following links, suggested by the local authority, of use:

[Childline: worries about the world](#)

Children will be undertaking a few moments of reflection during tutor time on Friday and we are considering the most appropriate way in which to remember the victims of this terrible tragedy in due course.

In the meantime, our thoughts are very much with the victims, their families and friends. It is impossible to imagine how they must be feeling but they have our deepest sympathy and support in coping with this extraordinarily difficult time.

Yours faithfully
