- 'Attitude to learning'
- Other data such as attendance.
- Exam scores: For the major exam points percentage scores will be reported. You will also receive the average score for the year group and the score that would place them in the top 10%.

# TARGETS

- The system of target setting can be relatively complex, taking into account a number of factors, with prior data playing a significant part.
- Targets for are set separately for each subject.
- They will be in the following form:
  - Platinum
  - Gold
  - Silver
  - Bronze

LYMM  
HIGH SCHOOL

# TARGETS

- At each reporting point (PR) staff will use subject specific criteria to judge if a student is on track to meet their target.
- Targets are reviewed at the end of each year.

**LYMM**  
HIGH SCHOOL

# MATHEMATICS

## Leader of Key Stage 3 Mathematics: Mr J Mullin

- Students are currently taught in mixed ability forms in Mathematics but will be set in ability groups after all students return to school following the Tynny residential
- All students will sit a Baseline assessment in Mathematics between 14th September and 22nd September. It is a non-calculator test and students will be informed not to worry about it.
- This baseline test will be used in conjunction with KS2 scores and Teacher Assessments to determine the set your son/daughter will be placed in.
- Currently there are 6 sets in each half of the year: 1a, 1b, 2a will all follow the Higher Scheme of Learning while sets 3a, 3b will follow the Foundation Scheme. Set 2b will follow a combination of both Higher and Foundation.
- Each student will receive a letter informing both them and yourselves of their new set
- Sets are consistently monitored and set changes usually take place 2 or 3 times per year where appropriate

- Year 7 students are taught in form groups for English and set at the end of the academic year for Year 8 based on attainment data.
- There are two sets of Flight Paths' within English: one for reading skills and one for writing skills. Students will be assessed on both reading and writing across the year.
- Year 7 students study five units over the course of the year:
  1. Autobiography (half term)
  2. Gothic Fiction (half term)
  3. 'The Tempest' and Other Cultures Poetry (whole term)
  4. Novel (whole term)

**LYMM**  
HIGH SCHOOL

# ENGLISH

**Leader of Key Stage 3 English: Miss M Lorenzelli**

- All Year 7 classes will have a number of lessons in the ILC across the year to understand how to use the library system, discover different genres of fiction, learn about new authors and much more.
- There is a fortnightly designated Spelling, Punctuation and Grammar (SPaG) lesson within English which aims to improve technical accuracy in writing and give students a clear focus to improve their writing or retain vital skills learned in primary. This is designed to compliment and strengthen ongoing SPaG teaching and writing activities in every lesson.
- There are many opportunities for reading across the school and all students should have a reading book with them in every English lesson.
