

LEADERSHIP LADDER

The Leadership Ladder provides opportunities for you to gain leadership experience, and recognises your achievement of different levels of 'Leadership Colours'.

If you are in **Year 7 and 8**, you can work towards **Lower Bronze, Lower Silver** and **Lower Gold** Leadership Colours, achieving a certificate and badge to recognise your hard work, as well as Hall points. In **Year 9, 10 and 11**, you can work towards **Upper Bronze, Upper Silver** and **Upper Gold** Leadership Colours.

At each level, you must complete 5 leadership activities from the list in order to achieve the award - this is indicated on the award page. Your Form Tutor or the member of staff running the activity can sign off the activity on the Leadership Ladder - let them know what you have done and who with, and they will initial and date your Leadership Ladder record.

Some criteria are purposefully on 2 different levels of Leadership Ladder, for example helping at Open Evening. If you have had an activity signed off at Lower Bronze level, you cannot have it signed off again at Lower Silver, instead please pick something different. Any questions, please ask your Form Tutor.
