

Thursday 8th February

Dear parents and carers

I would like to draw your attention to some especially important messages in this week's newsletter. They are also available on the school website and I would be grateful if you could take a few moments to read them.

The first relates to the Ofsted inspection we had on Tuesday: please click [here](#) for more details.

The second relates to the publication of school league tables a couple of weeks ago: please click [here](#) for more details.

Finally, I have made a plea for nominations of staff who have made an especially positive impact on your children: please click [here](#) for more details.

More generally, I would encourage you to read the school newsletter. As well as important messages relating to the running of the school, it contains some lovely stories about all the fantastic activities going on.

Kind regards

Gwyn Williams
