

February 2018

Dear Parent/Carer

YEAR 9 National Enterprise Challenge – FRIDAY 16TH FEBRUARY 2018

For the past few years, Lymm High School students have been fortunate enough to take part in The National Enterprise Challenge. This is a very exciting opportunity which will allow for your child to take part in a group led activity, developing their communication, leadership and presentation skills. External facilitators will be working with your child all day on Friday 16th February, guiding them through this year's challenge. Once the students have received the brief, they will be working collaboratively in small groups designing an innovative product and creating their marketing strategy. The day will conclude with the top 10 groups pitching their idea to their peers and facilitators.

The most exciting aspect of this challenge is that the two groups with the most successful pitches will be invited to a regional final, held at Chester Racecourse, on Monday 12th March 2018 where they will compete against other schools in the North West.

This is a truly fantastic opportunity for your child and we hope that they enjoy taking part. Should you have any questions or queries, please do not hesitate to get in contact.

Yours faithfully

Mrs E Feast
Head of Year 9

Headteacher: Mr Gwyn Williams
