Remember, Easter is a ‘working holiday’ for you – you will have one of the longest holidays of your lives **after** your exams finish! You should be cramming in as much revision as possible into your days, whilst making sure you do give yourself a chance to unwind between revision sessions. We recommend 30 min blocks of a subject, unless doing a timed exam paper. If you did 4 hours of revision a day each day of the Easter Hols, it would make a huge difference to your knowledge and exam technique when you return to school.
