Year 13 Parents Evening - Thursday 1st November

The environmental costs of fashion - every year we all buy a Christmas jumper, but only wear it once or twice!

There has been a lot in the news recently about the devastating impact of toxic chemicals used in growing cotton. Polyester is the most popular fabric used for fashion. However, when polyester garments are washed in domestic washing machines, they shed microfibers that add to the increasing levels of plastic in our oceans.

On Friday 30th November, students will be able to recycle their old Christmas jumpers and purchase a new one in time for this year's Santa Dash. All Jumpers will be £3.

If your child has an old Christmas Jumper they would like to donate; they can bring it in washed and ready for sale from **Wednesday 21st November** to **Thursday 29th November**. These donated jumpers will be collected in at the atrium each morning during registration.

The Christmas jumper Sale will take place on **Friday 30th November** in the main hall during break time! All funds raised from jumper sales will be included in our Santa Dash 2018 grand total!

Christmas Shoebox Collection

As a school, we are proud to support many local and national charities through the fundraising we undertake annually. This half term we would like to join thousands of others by supporting Manchester Street Angel's Homeless Shoebox Appeal.

The shoe boxes are designed to help those living on the streets this year as it's already begun to get cold, so there's a few specific items the street angels would like you to include. In particular; toothbrush and toothpaste, soap/shower gel, baby wipes/deodorant, hairbrush/comb, hats, scarves, gloves, warm socks, a torch and some chocolate, sweets or biscuits.

Please deliver shoeboxes into school by **Monday 26th November**. Volunteers will be coming to collect them during form-time. Help make a difference this Christmas for those on the streets.

Trainers for Africa

A huge thank you to all who donated trainers for our Trainers for Africa appeal!

We have had such a good response to this appeal and received the last donations of trainers earlier this week. Donated trainers are now in the process of being packed and will be sent out to the township schools we visited during our summer sports tour – they really will make a difference!

Cashless Catering

We politely remind all parents/carers to top up cashless catering accounts regularly, via Parent Pay, to ensure their child is able to purchase food during break and lunch time.

Congratulations to Sarah Stone who won **£60.90** on Saturday with our Lymm High School Lottery! Our prize total rises with the more supporters we have.
