

10th January 2019

Dear Parents and Carers,

Apprenticeship Evening, Thursday 31st January 2018

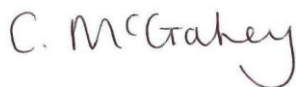

At Lymm High School we are committed to providing our students with opportunities to raise aspirations, develop employability skills and make informed choices. As part of our CEIAG program, and given the importance of your child's decision making with GCSE option pathways, post-16 option choices and career pathways, we would like to invite parents and students to visit our Apprenticeship Evening 6-7.30pm on Thursday, 31st January.

We are delighted that former Lymm High students currently undertaking apprenticeships and several organisations are supporting this event, including colleges, training providers, employers and ambassadors from a wide range of business professions, including Sellafield, Barclays Bank and Unilever. The evening will start with a presentation in the main hall at 6pm from Dr Dave Armston, who will help to guide parents, carers and students through the fast changing world of apprenticeships.

If you feel that an apprenticeship may be of interest to your child, we would encourage you to visit this event and take advantage of this opportunity of having so many experienced providers on hand.

We look forward to welcoming you on the night.

Yours sincerely

Catherine McGahey

Assistant Headteacher

Headteacher: Mr Gwyn Williams
