Make a list of all of your subjects and target grades

Give yourself a score out of five for each subject on how confident you are in achieving that grade

- 1 = very unconfident
- 2 = not confident
- 3 = maybe
- 4 = confident
- 5 = very confident

Subject	Target Grade	How confident	Subject	Target Grade	How confident

From this, I am planning to attend the following sessions:

	BEFORE SCHOOL	LUNCHTIME	AFTERSCHOOL
MONDAY			
TUESDAY			
WEDNESDAY			
THURSDAY
