

Opportunity of a lifetime!
******Don't miss out for Summer 2020******

We'd like to tell you about a once-in-a-lifetime opportunity which your son or daughter can do in the Summer immediately after they leave Year 11.

National Citizen Service (NCS) is a government-backed programme which is supported by Lymm High School and ran by Warrington Youth Club. NCS helps young people build their confidence and gain new skills while having fun and giving back to their community – the best possible springboard for their future. Whether they're about to start sixth form or college, or preparing to enter the working world, signing up to NCS is one of the best decisions a young person can make.

But don't just take our word for it. (NCS Graduate of 2018) summarised his experience: *"NCS is an experience like no other. It allows you to get out of your comfort zone in an atmosphere where everyone is different. And that's okay. I've made so many friends and would recommend it to everyone."*

Parents of young people who completed NCS in Warrington in Summer 2018 added: *"My daughter was apprehensive about doing it, she suffers from anxiety and panics as she's not so confident but this has done her the world of good and has come back with renewed confidence and less anxiety."*

"It gave my daughter unique opportunities, a chance to be in a team and grow in independence, in a variety of challenging ways and she's really matured as a result!"

"It's absolutely brilliant what you do the life skills you have taught my child are priceless"

So, what is NCS? NCS is a unique part-residential programme focused around fun and discovery, plus 30 hours committed to a community project that benefits both young people and society. Young people build skills for work and life, while taking on new challenges and adventures, making new friends, and contributing to the local community. Government backing means that it costs just £50 to take part in our four week summer programme which covers all activities and residential costs. Payment plans are available on a case by case basis.

While this opportunity is only available once young people are in year 11 **we start taking reservations for Summer 2020 in August 2019** as places will fill up early! For this Summer all six Waves were full by January 2019.

When your child is in Year 11 we will be in school during the first term to give your child a chance to express interest in the programme. However, to ensure we have full availability for you to secure your child's place please contact us early. For more information please call us on 01925 909 678 to book your place and make your payment.

Best wishes
