Parent Forum Meeting

Thank you to all parents and carers who attended our most recent Parent Forum meeting which took place on Wednesday. Mr Williams will be in touch in with feedback in due course.

Girls School Uniform

When, back in September 2017, we changed the uniform policy so that girls choosing to wear skirts had to wear tights as well, we promised to keep the new policy under careful review.

Our most recent student voice activity took place on Friday 26th April and as a result of feedback from students, we have decided to make a further change to the policy.

Click to [read a letter](#) from the Headteacher for further information about this change.

International Women in Engineering Day

International Women in Engineering day is taking place on **Sunday 23rd June** and is an international awareness day to support, inspire and raise the profile of women in engineering. It is an opportunity to highlight potential careers in engineering for young people and to celebrate the achievement of women engineers.

The theme for this year is “Transform The Future” and to inspire our girls we would like to compile profiles of female members of the wider Lymm High school community who work in a STEM related job. The profiles would be used on posters around school and on the school information screens. If you think you would be interested in getting involved with this please contact Mrs Bronagh Dowdall directly via email on bdowdall@lymmhigh.org.uk

We are also looking for female engineers, scientists and technologists who would be happy to come into school in June (date tbc) to take part in a networking event to help raise the profile of the role of women in STEM and the opportunities that are available. If this is something you could help with, please contact Mrs Dowdall on the email address above.

Bronze DofE Expeditions

Reminder that our Bronze DofE students are on their Practice Expedition on **Friday 10th – Saturday 11th May**. Parents are required to drop-off and collect students. Please ask your child to show you the paperwork from last week's meeting. If they have lost it, please refer to the school website under Enrichment/Duke of Edinburgh's Award for the documents they were given including a kit list. Please ensure your child tells you which letter group they are walking in so that you can find the correct drop-off point (there are 2 different ones due to the size of our DofE cohort at Bronze). Any items students are borrowing will be available at your child's start point.
