

WHOLE SCHOOL

School Shop Opening Hours (Whit Half Term)

Closed: Monday 27th May (Bank Holiday).

Open: Tuesday –Thursday, 9am-3pm & Friday, 9am – 2pm.

Parents Forum

Thank you to those parents who came along to the recent Parent Forum meeting; as ever, it was really useful to have the opportunity to talk to parents in more detail about how things in school are going from their perspective. The vast majority of points raised came up in the parent survey last term and a detailed response to this survey, can be found [here](#).

Private Tuition

As a school, we have a few concerns about the growing number of parents paying for additional private tuition for their children. Click [here](#) to read a letter from the Headteacher addressing this issue with further information.

“Women in STEM” Networking Event

To celebrate International Women in Engineering Day in June, we will be hosting a “Women in STEM” networking event on **Thursday 20th June**.

This will be our first Career Opportunity Group set up to provide support and networking opportunities for alumni, parents and students. We hope that the event will bring together female, LHS Community professionals from fields relating to Science, Technology, Engineering and Mathematics to help raise the profile of the role of women in STEM.

The event will start with hot drinks and canapés served from **6pm** and some speed networking to engage with some of our current students. The aim is to give them an opportunity to discover more about the many opportunities that are on offer should they choose to pursue STEM subjects at school and beyond. From **6.45pm**, there will be an opportunity for some professional networking and ideas sharing.

We hope all females from our community who are interested in or are currently working in these careers will join us.

To register for this event or for more information please email: bdowdall@lymmhigh.org.uk

Detection Dogs

On Thursday this week, we were joined by two trained sniffer dogs and their handlers as part of our programme to ensure drugs are not present on the school site. We visited a large number of lessons and scanned all the students in those lessons, as well as allowing the dogs to scan social spaces inside and outside the school buildings. We are pleased to be able to report that nothing untoward was found and would like to thank students for their very mature approach towards our visitors. This is an exercise we will be repeating regularly from now on.

Summer Concert

Following the success of our spring concert, come along to a concert celebrating the coming of the summer term. On **Monday the 24th June** our fantastic young musicians will be performing again in the school's main hall from 7pm. Join us for an enjoyable evening of music - This will be a unique concert not to be missed!

Summer Bedding & Hanging Plant Sales

The Lymm Gardening Club would like to thank everyone who has ordered summer bedding plants and hanging baskets this year. Plants will be available for collection from the school allotment on **Friday 24th May 2019**. All funds raised from the sale of these plants goes towards the support of projects in school.

LHS Lottery

Step into summer with our Lymm High School lottery tech bundle giveaway!

Buy a lottery ticket this half-term for a chance to WIN an Amazon Echo, Fire TV stick, Echo Dot and Fire HD8!

Congratulations to last week's winner, Stuart McVey, who has kindly donated his winnings back to our school! Sign up [here](#) for your chance to WIN!

Cashless Catering

Please remember to top up your child's cashless catering accounts via Parent Pay to ensure your child is able to purchase food during their lunchbreak.

LOWER SCHOOL

Year 7 Inter-hall Master Chef 2019

The Food and Technology department are once again launching the Year 7 Inter-hall Master Chef competition to find the best chef in Year 7.

Please encourage your child to bring in their favourite recipes by **Thursday 23rd May 2019** to the food technology office (E217). Students can pick up a Master Chef form from the food office or can submit their recipes on a blank sheet with the following information: Name and form, a list of ingredients, the method and whether it is a starter, main course or dessert.

Students must be able to make and serve their dishes in 45 minutes. Two students from each form will be selected to cook in the semi-finals on **Friday 8th June 2019** via Form Tutor announcements. The semi-finals will commence the week beginning **Monday 10th June 2019** and the final will be held on week beginning **Monday 17th June 2019**.
