ENSURING SUCCESS

“Your child’s attendance in Year 7 to 11 has a direct impact on their GCSE results”

All students should be aiming for 97% attendance or higher

By missing lessons as a result of low attendance, a student will:

- Miss being taught new subject knowledge
- Miss recapping subject knowledge to make sure they 'get it'
- Miss key tests and assessments to test what they do and don't know
- Start to fall behind their peers and reduce their chances of achieving well in their GCSEs
- Struggle to make the transition between years because they won't have secured all subject knowledge from the year before

ENSURING SUCCESS

- Punctuality & Attendance

	> 85% attendance (during 4-week exam period)	< 85% attendance (during 4-week exam period)
Positive P8 score	77%	49%
Average P8	0.69	0.04
