

GCSE FASHION DESIGN: PERSONALISED LEARNING CHECKLIST

	Red	Amber	Green	Revised Tick <input checked="" type="checkbox"/>
Area of Study: AO1 Artist Research and Ideas				
I have created a mind map written clearly and annotated, highlighting which words or phrases interest me and why.				
I have presented a mood board displaying imagery (own photos or from other sources), sketches and words relevant to theme.				
I have researched and analysed artist 1 (e.g. 3 or 4 images of their work and at least a paragraph of general analysis-explain why you have chosen them, how they inspire you.)				
I have created a sample in the style of artist 1.				
I have researched and analysed artist 2 (e.g. 3 or 4 images of their work and at least a paragraph of general analysis-explain why you have chosen them, how they inspire you.)				
I have created a sample in the style of artist 2.				
I have researched and analysed artist 3 (e.g. 3 or 4 images of their work and at least a paragraph of general analysis-explain why you have chosen them, how they inspire you.)				
I have created a sample in the style of artist 3.				
I have researched and analysed artist 4 (e.g. 3 or 4 images of their work and at least a paragraph of general analysis-explain why you have chosen them, how they inspire you.)				
I have created a sample in the style of artist 4.				
I have researched and analysed artist 5 (e.g. 3 or 4 images of their work and at least a paragraph of general analysis-explain why you have chosen them, how they inspire you.)				
I have created a sample in the style of artist 5.				
I have completed a photo study inspired by the artists/photographers/theme				
I have created samples inspired from the photostudy.				
All of my artist pages reflect the style of the artists I have studied.				
<i>I am most confident with the following topic/topics:</i>				
<i>I have struggled most with the following topic/topics:</i>

--	-----	-------	-------	---

Area of Study: A02 Experimentation, Refinement and Development

I have explained my ideas at various points e.g. what I have learned from looking at the other artists - techniques, processes, compositions, subjects, mood/atmosphere, lighting etc.				
I have used at least five different processes/techniques/media to produce artistic images e.g. Applique, fabric painting, batik, printmaking etc.				
I have researched further to refine my work (e.g. research into the theme, a particular art movement)				
I can select appropriate materials/techniques to use				
<i>I am most confident with the following topic/topics:</i>				
<i>I have struggled most with the following topic/topics:</i>

--	-----	-------	-------	---

Area of Study: A03 Documenting and Drawing

I have written a statement of intentions explaining what I intend to focus upon= Why?.				
I have researched and presented contextual research on my chosen theme				
I have created at least 6 design ideas related to my chosen theme.				
I have evaluated these images in detail using specific artistic language.				
I have selected one or more of these images to create developed design ideas.				
I have created a final design for my outcome				
<i>I am most confident with the following topic/topics:</i>				
<i>I have struggled most with the following topic/topics:</i>				

	Red	Amber	Green	Revised Tick <input checked="" type="checkbox"/>
Area of Study: AO4 Designing and Producing Final Outcomes				
I can demonstrate I have considered ideas for different compositions for my final outcome. (e.g. create a mind map of ideas)				
I have written a brief evaluation on my final ideas.				
I can show I have taken inspiration from an artist/s				
I can show I have explored and experimented with different materials to figure out exactly how my final outcome will be created.				
I have decided on a final piece and have a mini version of it in my book so I know exactly how I will complete it in the exam and what it looks like.				
I can develop a personal final outcome that is informed by my research				
I have written a brief evaluation of my final outcome , saying how it is personal and meaningful in relation to my chosen theme.				
<i>I am most confident with the following topic/topics:</i>				
<i>I have struggled most with the following topic/topics:</i>
