The table below shows how xxxx performed in his recent assessments. The 'Test Score' shows the percentage xxxx achieved on each assessment.

SUBJECT	Higher/Foundation	Test Score	Average	10 th Percentile
English		48%	53%	78%
Mathematics	Higher	58%	45%	80%
Science		82%	62%	84%
French		63%	77%	92%
Geography		73%	63%	85%
History		71%	61%	89%
Religious Studies		64%	60%	84%

The 'Average' gives the average score of the year group.

The 10th Percentile is the score he would need to achieve to be in the top 10% of the year group.

In Maths, there were two tiers – foundation and higher, which is in line with the new GCSE system. For all other subjects, students sat the same assessment.

*The Maths average is an equivalent year group average. This has been adjusted to match the tier, but represents the score they would need to achieve on their paper to be half way in the year group overall. The 10th percentile will be unavailable for foundation tier.
