Dear Parents and Carers

Re: advice from government about the Coronavirus

The information below comes from Public Health England and has been issued by the Department for Education. We would be most grateful if you could spend a few minutes reading it.

If you are at all unsure as to whether or not your child should attend school because they or close family members have recently visited the countries named here, please contact us first.

Kind regards

Gwyn Williams

Advice to those who have travelled recently

Public Health England has changed the advice for individuals who have travelled recently as follows:

Travellers from Wuhan and Hubei Province

If you have travelled from Wuhan or Hubei Province to the UK in the last 14 days you should immediately:

- stay indoors and avoid contact with other people as you would with the flu
- call NHS 111 to inform them of your recent travel to the area

Please follow this advice even if you do not have symptoms of the virus.

Travellers from other parts of China and other specified areas

This advice applies to travellers who have returned to the UK from the following areas:

- Elsewhere in China
- Thailand
- Japan
- Republic of Korea
- Hong Kong
- Taiwan
- Singapore
- Malaysia
- Macau

HEADTEACHER: MR GWYN WILLIAMS

LYMM HIGH SCHOOL, OUGHTRINGTON LANE, LYMM, WA13 0RB
01925 755458 INFO@LYMMHIGH.ORG.UK WWW.LYMMHIGH.ORG.UK

If you have returned to the UK from any of these areas in the last 14 days and develop symptoms of cough or fever or shortness of breath, you should immediately:

- stay indoors and avoid contact with other people as you would with the flu
- call NHS 111 to inform them of your recent travel to the country

Encouraging good hygiene

As always, if you have symptoms of a cold or flu, then there are measures you can take to stop germs:

- always carry tissues with you and use them to catch your cough or sneeze. Then bin the tissue, and wash your hands, or use a sanitiser gel.
- wash your hands often with soap and water, especially after using public transport. Use a sanitiser gel if soap and water are not available.
- avoid touching your eyes, nose and mouth with unwashed hands.
- avoid close contact with people who are unwell.
