NEW BOOKS

We've been very busy since returning to school in September processing over 140 new books purchased for the ILC library collection. We are always on the look out for titles that will complete a series or start another one to open up a whole new reading journey. If you have any ideas for books you would like to see added to our school library then let us know at;

ilc@lymmhigh.org.uk

Your ideas for fiction or information books are always welcome. We can't promise to buy every book you suggest but we will try our best :)

STAFF SUGGESTION

The Boy, the Mole, the Fox and the Horse

By Charlie Mackesy

Book Review by Mrs S Hill

I bought this book during the first Lockdown in April 2020 and it truly inspired me.

Charlie Mackesy's amazing book is not your normal novel, it is a collection of drawings and sketches with an array of words that bring so

much meaning to our every day.

It is a truly uplifting book and I urge everyone to read it you will **NOT** be disappointed.

***“Being kind to yourself is one of the greatest kindnesses,”
said the mole.***

MAKING TIME FOR ME

Is it time to get crafting?

If you need some ideas for crafts and hobbies this Autumn then why not take a look at the books we have to offer?

The books below are new in this term but we have many more in the collection.

Why not take some ME time!

New Non-Fiction...

ONLINE, EBOOKS AND AUDIOBOOKS

emailing ilc@lymmhigh.org.uk with the author and title details so that we can find and reserve the books ready for your next library visit.

Year 7-11 pupils can borrow up to 3 books and Sixth Form students up to 10 books. The usual loan period is 3 weeks but books can be renewed as necessary.

Free reading app

You can also access Ebooks and Audiobooks through a free student reading app called **Sora**.

Sora offers over 1600 titles that be accessed on a computer, tablet or smartphone either through soraapp.com, or by downloading the **Sora app**. When logging onto the site for the first time you will be asked to put in your 'setup code' at the bottom of the screen. The setup code is '**uksecondary**', and 'Lymm High School' should then be available from the drop-down list. Type in your usual school email and password to get started with your individual account.

All books are free and can be borrowed for 14 days (and renewed if necessary).

The formats and fonts of most books can be changed to suit individual reading needs and a dyslexia friendly font is also available.

For students who are self-isolating or prefer to browse books from home we have a full library catalogue which provides details of over 12,000 resources held in the ILC along with over 900 linked websites.

It can be accessed at: <http://u012275.microlibrarian.net>, or by downloading the **iMLS app**. The site has a quick, easy access search box in the top right-hand corner of the home page.

Students are encouraged to log in to their individual accounts using their library barcode number as both username and password. When logged into the site there are options to write reviews, reserve books, create virtual bookshelves, and much more!

Once you know which books you would like to borrow you can make requests in person by speaking to library staff during your library access time, or by

'DYSLEXIA –FRIENDLY' FICTION

New...New...New...

Five new titles have been added to our collection of modern fiction published to be 'dyslexia friendly'. This means that the font, layout and paper colour come together in a book that is more accessible to readers with dyslexia. These short and snappy stories are written to engage!

*"HUMANS ARE VERY ADAPTABLE: WE CAN STILL FIX THIS.
BUT THE OPPORTUNITY TO DO SO WILL NOT LAST FOR LONG.
WE MUST START TODAY. WE HAVE NO MORE EXCUSES."*

NON-FICTION NOVEMBER 2020

#ThePlanetWeShare

This year's theme reflects the widespread concern for our planet which is under serious threat. Non-fiction books can help to explain the problems and suggest ways to take action and to help make changes. Here are some of the inspiring and beautiful new books in our library collection.
