

Welcome to Your School Library at the Independent Learning Centre (ILC)

with Ms Timson and Mrs Cheney

Our school is a Reading Cloud School

So what is Reading Cloud?

Reading Cloud is the system we use to keep track of our library books and resources and make them available for you to borrow, reserve and review.

For students and teachers,
Reading Cloud is an online
reading community just for our
school that you can join.

Reading Cloud for Students

Join the student online community to:

- ✓ Search the catalogue and reserve library resources online at any time
- ✓ Write and share book reviews and blogs
- ✓ Find out about your favourite authors and their books
