# NEWS

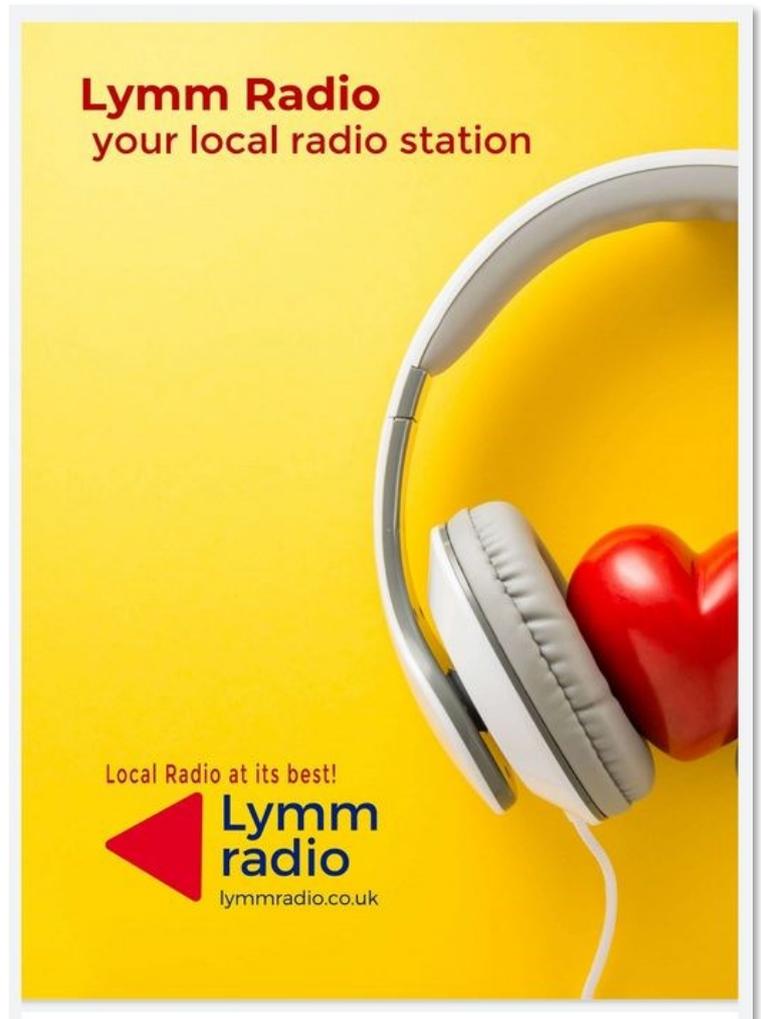

## Opportunity to join Lymm Radio

Are you interested in becoming involved in Lymm Radio? We held a preliminary meeting last week with DJ and presenter Paul Smith. The idea is that a Sixth Form team design, produce and broadcast their own programme on a regular basis. The content will be entirely up to the team and they will be trained in all aspects of production and presentation. Interested parties can arrange to visit the village-based studios opposite the Terrace Café.

As well as media students, drama, music and music tech students, the team will need to comprise presenters, copy writers, composers, social media marketers, producers and anyone with ideas for programmes. This is an excellent opportunity to get experience on-the-job and differentiate yourself from other candidates when applying for jobs and further education.

The next meeting will be on Thursday at 12:10pm in N105. Please come along armed with your ideas of how you can contribute!

## Discussion Group

Join Dr Sharkey and students on Tuesdays after school in A206 for lively debate and discussion on a range of topics. Next week's subject is ***Defunding the police. Should money currently spent on policing be redirected towards non-punitive community projects?***

For topic suggestions or any questions, please contact [WSharkey@lymmhigh.org.uk](mailto:WSharkey@lymmhigh.org.uk)
