

INDUCTION PROGRAMME

Change of Plan!

We're sad to announce that under the latest guidance we are no longer able to offer any further transition days in school. We've made some changes to our original plan so we can still get to know as much about you before you join us in September!

Our original plan involved two further days in school on Monday 5th and Tuesday 6th July, but we have had to replace this with one online learning day on:

MONDAY 5th JULY

We strongly recommend that you attend this online day as the purpose will be to reflect on the work you were set during our previous transition days, it will also prepare you for the summer work which will be set which and must be completed by September. The arrangements for results day and plans for enrolment will also be shared.

The online drop in session originally planned for Monday 28th June will be combined with this online learning day, but we encourage you to get in touch with us if you need help with any of the work already set. You should ensure that you have checked the 6th Form Transition 2021 Team as all of the subject sessions and work to be completed by Monday 5th July has been uploaded for you.

We are really looking forward to you joining us in September and we hope to see you online on **Monday 5th July** at **8:25am** – a full timetable will be sent to you all shortly.

Mrs Jennings
