

Dear Parent/ Carer,

Please find below an invitation to our 2nd online webinar that we are facilitating for parents and carers on **Tuesday 14<sup>th</sup> December**, led by the organisation 'It Happens'. This workshop provides a platform for parents and carers to consider guidance on 'Positive RSHE at home... top tips for brilliant conversations'. The ultimate goal of statutory RSHE is all adults working together, in school and at home, to improve conversations about these significant topics. However, we know that many of you are asking for support in this area. These inclusive sessions are an opportunity to discuss the many learning moments that occur at home so that you can carry on these important conversations.

**FORMAT:** Webinar

**TIME:** 6.30–7.30pm

To make this session as useful as possible, please can you complete the following survey. The more information you give to It Happens – and the more questions you ask – the more relevant they can make the presentation. It is completely anonymous so your responses will not be linked with your identity at all. The overall results will be shared with the school so that we can get a snapshot of parent feelings around this important topic:

The survey will need to be completed by no later than **Friday 10<sup>th</sup> December**.

Meeting ID: 926 8438 2238

Passcode: 635751

The webinar is designed to be interactive and they run their webinars using Menti. This will require you to have a second device (phone, tablet or laptop) so that you can vote, poll and ask anonymous questions. Due to the nature of the webinar, we will not be recording and sharing the evening and so attendance to the event is essential. I should also add that parents will not be expected to have their cameras on for the session, and do not have to ask or answer questions if they would prefer not to.

Our next Life Programme sessions are on the 15<sup>th</sup> December 2021 and will be looking at the following topics:

- Year 7: Healthy life – diet, physical activity, sleep vs. caffeine, smoking and alcohol
- Year 8: Identifying and challenging gender-based discrimination
- Year 9: Different family units, positive family relationships, conflict and resolution
- Year 10: Perceptions of sex, gender and relationships: pornography focus

- Year 11: Gender and Personal identity: Assertiveness
- Year 12: Drugs and alcohol – what are the risks? External speaker: [HOME \(sabinaosbournegray.com\)](http://HOME(sabinaosbournegray.com))
- Year 13: Race in Britain – Inequality, identity and belonging

We hope that the webinar taking place will further equip you with the tools to support any conversations that might come from these sessions, and may give families more confidence to start the dialogue themselves. The education of RSHE is a joint responsibility between school and home, and our aim is to provide support for all parties to do this effectively.
