

4th March 2022

Dear Parent/Carer,

Re: Year 10 Parents' Evening

The Year 10 Parents' Evening is on **Thursday 17th March 2022** and will take place via the School Cloud platform <https://lymmhigh.schoolcloud.co.uk/>. You will be able to book a **4-minute appointment** between the times of 4.30pm and 7.30pm. Appointments can be booked from 7am on Monday 14th March until 7pm on Wednesday 16th March. There will be a timer displayed within each appointment and it will automatically end after 4 minutes. If you have any further questions, you can follow up with the relevant teacher via their school email address, which can be found on the school website.

I strongly advise that you make appointments with each of your child's teachers, as this will give you the opportunity to discuss the current progress of your child along with strategies to improve his/her achievement. Year 10 Parents' Evening always proves to be a valuable event as not only does it give your child the opportunity to share in their achievements with you and their teachers, but it also allows for staff to specifically guide and advise your child on areas to focus on in improving their overall progress. The benefit of holding these conversations in Year 10 means that there is time to support and encourage students before the all-important GCSE examinations. This provides ample time to develop a better understanding of the areas of weakness, and more importantly, how they can improve upon them.

It is recommended that you log-on in advance of your first appointment to check that you can access the School Cloud. If you need any technical support, please contact IThelpdesk@lymmhigh.org.uk. I have also attached a guide [here](#) for your support.

If your child has more than one teacher for a subject only one of the teachers will be available on the evening. Some teachers may have a high number of Year 10 classes; because of this, they may not be able to see all parents or may not be able to answer all of your questions in the allocated time. If there is a teacher that you cannot get an appointment with, but would like to speak to, then please contact them via their school email address.

I would also like to remind you of the School Gateway app. The app allows you to monitor rewards and behaviour as well as communicating with the school regarding attendance. The information on how to download the app can be found on the Parents section of the school website.

Yours sincerely,

Mr T Scott
Head of Year 10

HEADTEACHER: MR GWYN WILLIAMS
