OPTIONS AFTER GSCES?

ARE **T-LEVELS**
RIGHT FOR YOU?

80% **20%**
CLASSROOM WORKPLACE

WHAT ARE T LEVELS?

Two-year qualification for 16 to 19 year olds, equivalent to A levels.

Designed with employers, technical skills development.

80% Classroom learning and **20% industry placement** (approximately 45 days).

Designed to prepare learners for entry into **skilled employment**, through an **apprenticeship** or for **higher-levels of technical study** or University.

Simplify post-16 education.

To provide **clear and high-quality, technical alternative** to the current range of post-16 education and training options.

Developed with **employers**

Prepares you with the **specialist technical skills** that are in demand

A Level

- 3/4 subjects
- Classroom based
- Academic and theory based
- Mainly examined assessment

Vocational

- e.g. BTEC
- Mainly assessed by coursework
- Theory applied to real-life projects

T Level

- Technical study programme
- Worth 3 A - Levels
- Assessed through exams, coursework and employer projects
- 45+ days placement

T Level programme

1800 hours over two years (with flexibility)

Students will need to achieve all components to achieve their T Level certificate
Subject content is set by T Level panels and approved/managed by the Institute for Apprenticeships

Technical Qualification

Between 900-1400 hours

Core component

- Knowledge and understanding of the concepts, theories and principles relevant to the T Level and the broader route
- Core skills relevant to the T Level

- Assessed through an external examination and a substantial employer-set project

Occupational Specialisms

- Knowledge, skills and behaviours required to achieve threshold competence in an occupational specialism
- Maths, English and digital skills included where they are necessary to achieve threshold competence
- Students must complete at least one occupational specialism

- Assessed synoptically through rigorous practical assignments.

T Level Industry Placement

Between 315-420 hours

- Undertaken with an external employer
- Minimum of 45 days
- Students develop technical skills and apply their knowledge in a workplace environment
- Provider should pay for/contribute to travel and subsistence costs, if not covered by the employer
- Employers not expected to pay students

Maths and English requirements

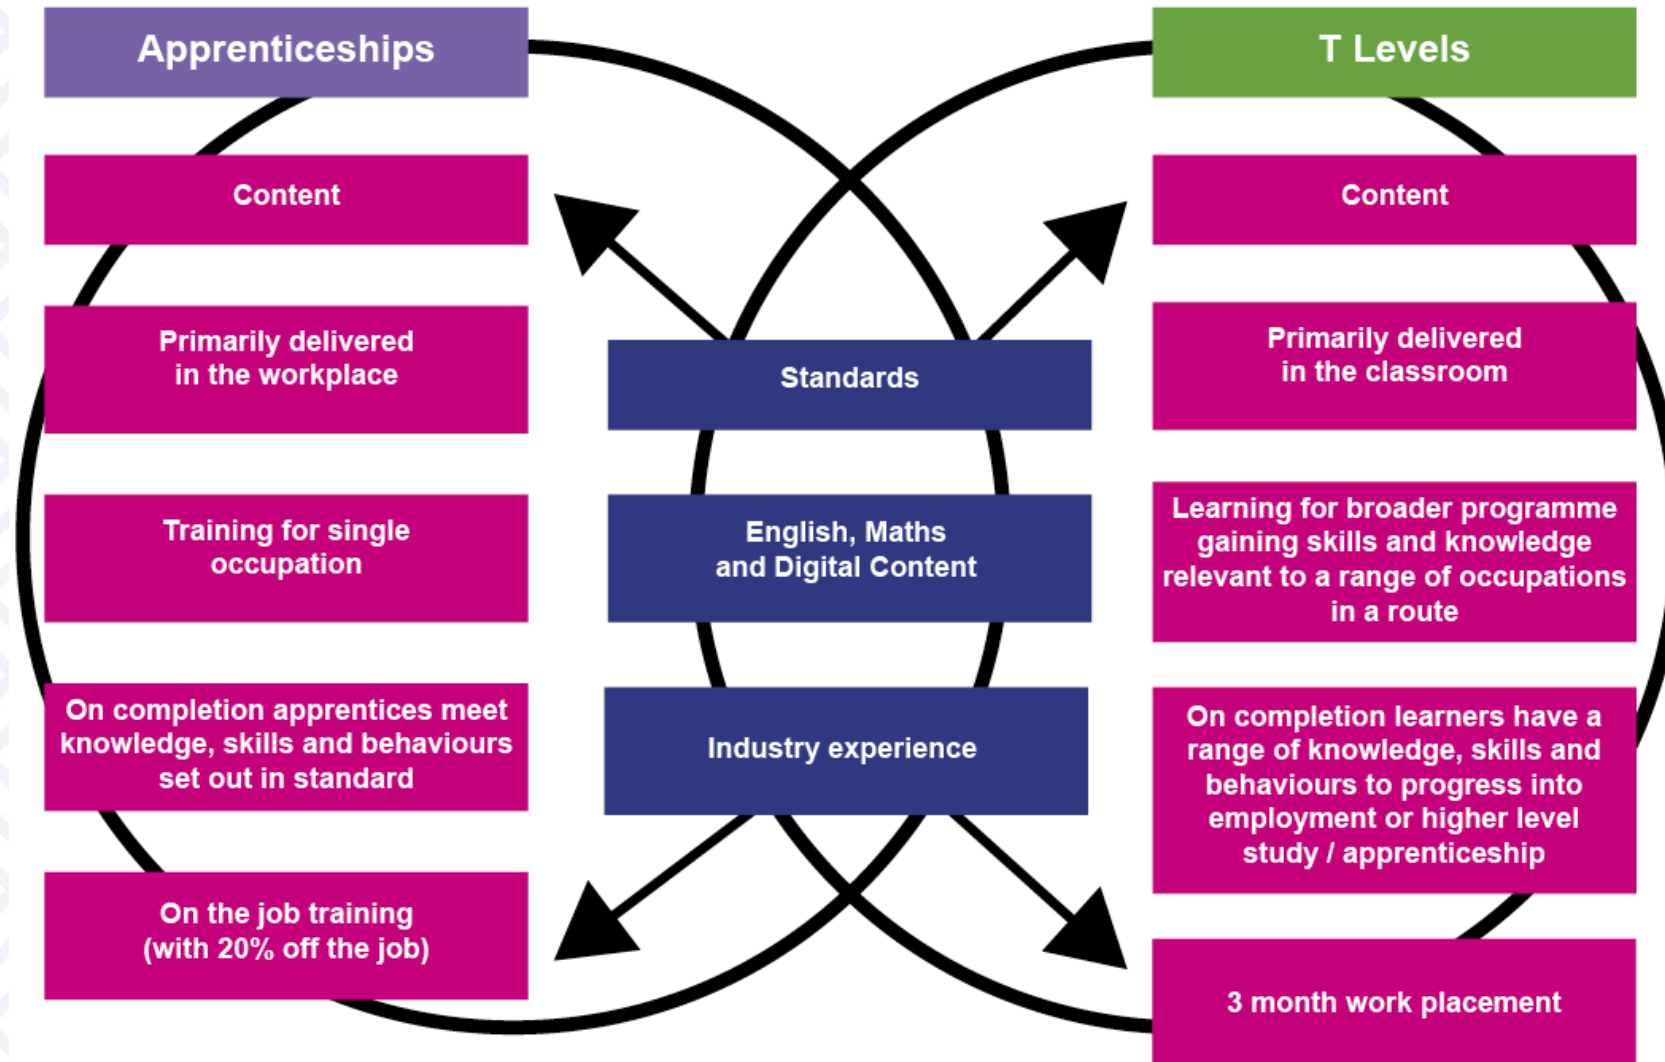

- Students are expected to achieve a level 2 in maths and English. This can be achieved through GCSEs (grade 4 and above) or level 2 Functional Skills (pass)
- T level panels are free to set higher maths and English requirements, where necessary

Other requirements set by T Level panels

- Occupation-specific requirements included, where possible, if they are essential for skilled employment e.g. licence to practice qualification or professional registration

Employability, enrichment and pastoral requirements

T-Levels vs Apprenticeships

Entry Requirements

To take a Level 3 programme including A-Levels, **T-Levels** and other vocational courses, you will need:

- **At least 5 GCSEs at Grade 4 or equivalent**

If you don't achieve GCSE **English Language** and/or **Maths** you will need to continue to study these subjects

GCSE Average	Option at Priestley
5.6+	Four AS/A-Level or vocational equivalent
4.2 to 5.5	Three AS/A-Levels or vocational equivalent (with extended enrichment)
5 GCSEs at Grade 4 or equivalent	Full level 3 Vocational Programme / T-Level
Above 2 (<i>At least one GCSE grade 4 and majority at grade 3 / 2</i>)	Foundation Programme / T-Level Transition Programme (Level 2)

Some subjects and courses require specific GCSE grades

Please see the courses at priestley.ac.uk for more information
