

# THE SIXTH

## THIS WEEK...

### BREAKING UP FOR SUMMER

18–22 July 2022

All students will be set summer work in all of their subjects. This may involve past exam papers, pre-reading for September or revision and consolidation tasks. We recommend all students spend 2–3 hours per day completing schoolwork, this will keep them in a good routine and will allow them to hit the ground running in September.

#### Student Leadership Team

We will be announcing our Head and Deputy Head students next week.

Well done to all those interviewed.

#### Recent IAG evening

If you were unable to attend the Information and Guidance (IAG) evening on **Tuesday 12th July**, a recording has been sent out to all parents via school gateway.

#### Sports Day

Sports Day is on **Tuesday 19th July**. Period 1–4 normal lessons, Period 5 you are welcome to watch the events on the field. The weather is set to be very warm so make sure you have a hat / sunscreen and plenty of water.

#### Founders' Day

Founders' Day is on **Wednesday 20th July**, and will feature Lymm High's first Colour Run. Students are advised to wear old clothing, which they do not mind getting covered in paint if they wish to take part! Please do not forget your sponsorship money to take part! (See p.9)

#### Thursday 21st July

Final day before summer! The last day arrangements are:

- Registration – As normal
- Period 1 – As normal
- Period 2 – As normal
- Extended Break: 10.45–11.30
- Form time: 11.30–12.15

Students leave site at 12.15.

There are no buses running from school on this day.

**Own clothes all next week due to the hot weather forecast.**

## Year 13 Prom

We held our Year 13 Prom last Wednesday at Statham Lodge, which was a lovely event enjoyed by all. It was so good to be able to give students the send off they deserve as they weren't able to have this in Year 11 due to the pandemic.

To access the photos, please check your email and also school comms for the link and password.

# NEWS

## Don't forget to register to vote!

Currently within the Warrington area there is a decline in the numbers of 16 and 17 year olds registering to vote. Warrington Borough Council will shortly be sending out letters to all households within the area asking who should be registered at the property.

- When completing forms from the local authority, parents need to include anyone in the household who is 16 or 17 years old.
- Alternatively students can register directly online by [clicking here](#).

# CONGRATULATIONS

## Winning at Photography!

Well done to Year 12 Charlie Pemberton for winning the Action Photography Competition.

The competition was open to all year groups , but Charlie's image of a passer-by in a busy city scene won him first place and a 4K action camera.

Well done  
Charlie!

# CONGRATULATIONS

## New Student Leadership Team

Over the past few days Mrs Jennings and Mr Hayes have been conducting a series of interviews for Student Leadership.

We are now pleased to announce the results:

- **Atticus Burnett** has been appointed as Head of Student Leadership.
- **Ella McCarthy** and **Louisa James** have been appointed as Deputy Heads of Student Leadership.

Well done to all three!

It was a strong field this year and 26 students were interviewed for a wide range of roles, including Charity Leaders, LGBTQ+ Leaders, Mental Health Ambassadors, Transition Leaders, Community Liaison Leaders, Scholars Leaders and Events Leaders.

We are still in the process of structuring these teams and further details will be announced in September.

## A' Level Results Day

A' Level Results Day is on **Thursday 18<sup>th</sup> August 2022**. Please [click here](#) to read a letter about arrangements

Be prepared: Clearing opened on **Tuesday 5th July!** [Click here](#) for details.

## Parents, please be aware

It is vitally important that your Year 13 child is still able to access their school emails. This is so that on Results Day they are able to access important emails that they will receive from the Universities they have applied to.

Please can you take the time now to check that your child is still able to access their emails. As we recently enabled multifactor authentication on all student emails, this means that students need to have downloaded an authenticator app to their phones or use their phone number when they access their account. This additional step will ask them to register the app or receive a code to their phone.

If they are having any problems accessing their emails, please contact [ithelpdesk@lymmhigh.org.uk](mailto:ithelpdesk@lymmhigh.org.uk) as soon as possible.

## **STA Award in Swimming Teaching** *2–6th August 2022*

- Venue: Lymm Leisure Centre
- Tutor: Katie Davies
- Dates: Tuesday 2<sup>nd</sup> August – Saturday 6<sup>th</sup> August 2022
- Time: Tuesday – Friday times vary between 9am – 6pm, Saturday 9am start
- Cost: £100 per candidate plus membership fee (£44 annual fee)

The STA Award in Teaching Swimming is the perfect step to begin your exciting career as a swimming teacher and with no previous experience required, you can get started right away.

### **How Will the Qualification Benefit You?**

- Created by STA's aquatic experts, providing you with quality training
- Regulated by Ofqual and Accredited by SQA Accreditation
- Recognised internationally, allowing you to take your swimming teaching career around the world
- Develops the vocational skills and technical knowledge of a qualified swimming teacher, allowing you to independently teach your very own class of 12 participants from non-swimmers up to improvers (children and adults).

### **When You Get Your Qualification**

You will be able to gain employment as a swimming teacher, teaching non-swimmers to improver participants. Your course resource manual will act as a guide throughout your swimming teaching journey—always there to refer back to, should you ever need it

### **How to Take Your Swimming Teaching Career Further**

Once qualified, progress on your teaching pathway by achieving the STA Certificate in Teaching Swimming—the next step which meets CIMSPA's employer-led swimming teacher professional standard. Additionally you may wish to expand your swimming teaching portfolio by teaching those with disabilities or baby and pre-school participants with our People with Disabilities and Baby and Pre-School Award qualifications.

### **Interested? Before You Get Started...**

You'll need to make sure you've met the following requirements before you attend your course: Be at least 16 years of age & hold current membership of STA.

## Dangers of open water

School has been made aware of students jumping in the Dam, Bridgewater Canal and the Mersey.

Over 85% of accidental drownings occur at open water sites. Many of these drownings occur due to a lack of knowledge and understanding of open water safety. The water may look calm on the surface, but there may still be strong undercurrents that could pull even a strong swimmer under. There may be dangerous debris hidden under the surface which will pull you under.

Don't:

- Swim at unsupervised (un-lifeguarded sites) including lakes, quarries, reservoirs and rivers.
- Jump into the water from heights or 'tombstone' – it's nicknamed tombstone for a reason.
- Swim into deep water, which will be much colder.

Please take 2 minutes to read [this warning](#) about the dangers of open water and keep safe this summer.

## Summer internship with local MP

There's a lot going on in government just now. Are you thinking of a career in politics? Do you fancy finding out what it's like to be an MP?

Our local MP, Andy Carter, has announced that he is running an internship scheme over the summer for young people who live in Warrington South. The intern will be able to work at Mr Carter's office and experience working for an MP.

"Each successful applicant will be offered 2-week's work experience in my Warrington South constituency office, alongside the chance to visit Westminster for a day to get a taste of working life in the Houses of Parliament", said Mr Carter.

Applicants must be aged 16 years or over and should send their CV and a covering letter explaining why they would like to take part to [andy.carter.mp@parliament.uk](mailto:andy.carter.mp@parliament.uk) by **Monday 25<sup>th</sup> July**. Shortlisted applicants will then be invited for an interview.

"My team and I are looking forward to receiving all your wonderful applications and meeting with you. Best of luck to everyone!"

## Advancing university access

If Year 12 students are interested in applying to university, now is a great opportunity for them to think ahead. Universities want to see a student's passion for their subject in their personal statement. One of the best ways for students to show this passion is through self-directed learning and reading (or other engagement) around their subject.

This summer, students are encouraged to explore their chosen subject to find out what inspires them. Exploration may include work experience, planning trips, talking with experts, listening to podcasts, watching documentaries, reading articles and much more.

The resources linked below may be useful to help students be proactive this summer:

- [What can Year 12 students do over the summer to prepare for writing their personal statements?](#)
- [This super-curricular directory](#) may be a useful place to start research. The directory contains a list of popular subject choices. For each subject, students can access a variety of links to websites and resources.

## Youth Fed Cyber security workshops

### *Daresbury*

The Youth Fed Cyber Security Programme is an exciting initiative running in the North West of England, aimed at young people who are interested in gaining cyber and digital skills or simply wish to know more about cybersecurity.

The workshops are a great way for anyone interested in being online to learn about a future career in cybersecurity. It can also apply to younger people who want to become more familiar with cybersecurity to increase their awareness around digital safety.

During these workshops, participants have the chance to do some threat hunting and cybersecurity simulations on 'real-time' cyberattacks. Participants will then engage in a series of exercises designed to get them thinking like cybersecurity professionals.

The programme has two main focuses:

- To inspire potential talent
- To make people safer in the digital world.

If this sounds of interest, you can find out more by [clicking here](#).

## Careers in Law Work Experience (online)

*Wednesday 27th and Thursday 28th July, 10–4pm*

This 2-day virtual Careers in Law Work Experience event is set to be a thoroughly engaging insight into the legal world this summer. Students will be able to hear from a range of elite solicitors and barristers from some of the world's most prominent organisations. Attending will be a number of global law firms including Magic Circle constituents Linklaters and Clifford Chance as well as Charles Russell Speechlys, Freeths, Browne Jacobson, corporate immigration law experts Fragomen, and technology and digital world specialists Bird & Bird.

The University of Law (UoL), as the UK's largest provider of legal education, is also involved. The UoL delivers legal training to over 90 of the top 100 law firms and will be running several lecture-style sessions designed to give students a taste of what it's like studying law at university.

To sign up, [click here](#).

## University of Law (UoL) Open Day

*Friday 29th July*

Following on from the 2 days online, the UoL will be opening up their various campus locations for an in-person law-focused day.

Their campuses are in Leeds, Manchester, Bristol, London, Nottingham, Birmingham and Guildford.

This in-person day is optional.
