*Mrs Cheney (Library Assistant)*

Opening Times  
9am – 3pm  
Break and Lunch Daily

# Our school is a Reading Cloud School

So what is Reading Cloud?

Reading Cloud is the system we use to keep track of our library books and resources and make them available for you to borrow, reserve and review.

Reading Cloud will activate on school PCs when you access Microsoft Edge.

READING  
CLOUD

You can access at home on :

<http://u012275.microlibrarian.net> or  
download the Reading Cloud App.

# Reading Cloud for Students

- ✓ Search the catalogue and reserve library resources online at any time
- ✓ Write and share book reviews and blogs
- ✓ Find out about your favourite authors and their books
- ✓ Create your own reading lists
- ✓ Take a look at recommendations for your next read
- ✓ View curricular websites and resources to help you with homework
- ✓ Chat online with your school friends about what you're reading

## Welcome to the ILC

**\*\*THE ILC IS NOW FULLY OPEN!\*\***

Students from Years 7 to 11 can now access the ILC every break and lunchtime!

All of our fantastic books are available to browse and borrow. We have thousands of brilliant titles, and a member of the ILC staff will be happy to help you to find the right book. The ILC computers and printer are also available for school work and homework.

Don't forget we still have the fantastic Sora app available too. You can access Ebooks and Audiobooks on a computer, tablet or smartphone either through [soraapp.com](http://soraapp.com) or by downloading the Sora app. When logging onto the site for the first time, enter the setup code 'uksecondary' followed by 'Lymm High School' from the drop-down list. Type in your usual school email address and password to access your individual account. You can access SORA directly by clicking on the 'Links' tab at the top of this homepage.

All books are free and can be borrowed for 14 days (and renewed if necessary). The formats and fonts of most books can be changed to suit individual reading needs and a dyslexia-friendly font is also available. A quick guide to getting started with Sora is available at <https://bit.ly/2YhSN4i>

# Writing reviews

# We'd love to hear what you think

READING  
CLOUD

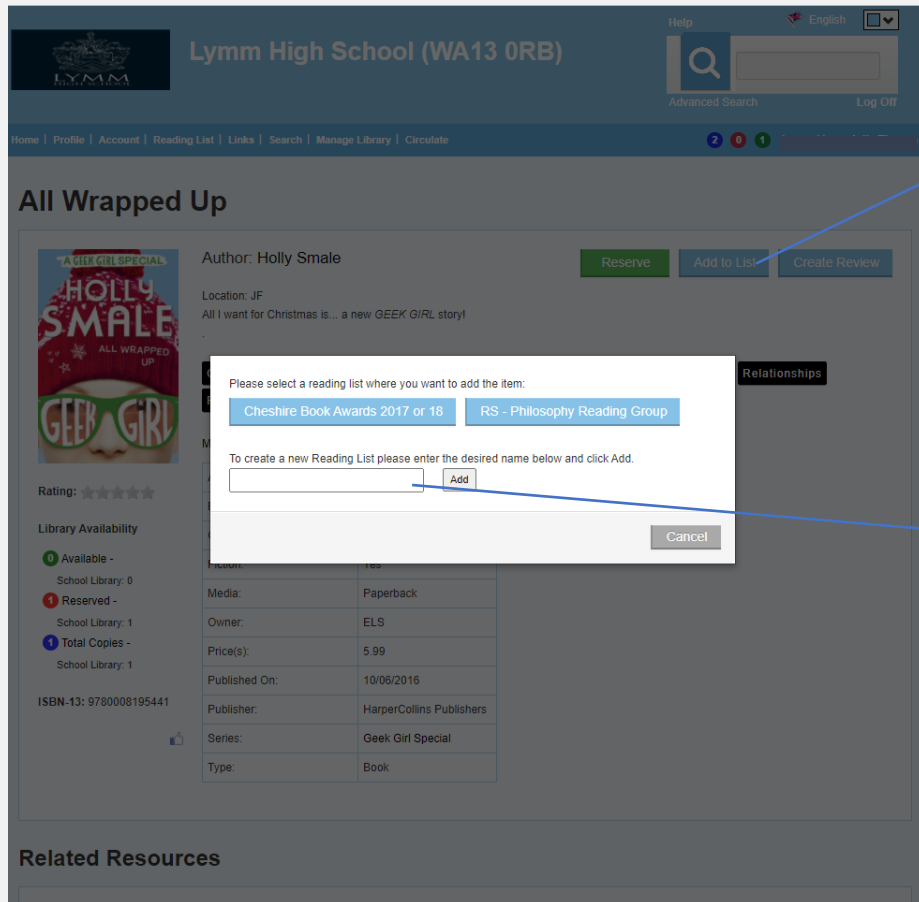

The screenshot shows the Lymm High School (WA13 0RB) Reading Cloud interface. The main content area displays the book 'All Wrapped Up' by Holly Smale, featuring a cover image of a girl wearing green-rimmed glasses. The book is part of the 'Geek Girl Special' series. The 'All Wrapped Up' review form is open, showing prompts for writing a review. The prompts are: 'What was the book about?', 'Did you have a favourite character? What was their name and why were they your favourite?', 'What did you enjoy the most about reading the book?', and 'Would you recommend it to your friends? Who else do you think would enjoy reading it?'. The form includes a star rating system (5 stars) and 'Save' and 'Cancel' buttons. The background shows the school's library page with navigation links like Home, Profile, Account, Reading List, Links, Search, Manage Library, and Circulate. The library availability section shows the book is available in the school library.

If you want to leave a review, choose the 'Create Review' button.

Use the prompts to write your review. Once approved they will appear within the book record 😊.

# Create a Reading List

The screenshot shows the Lymm High School library website. The main page displays the book 'All Wrapped Up' by Holly Smale. A modal dialog is open, prompting the user to select a reading list to add the item. The dialog has two buttons: 'Cheshire Book Awards 2017 or 18' and 'RS - Philosophy Reading Group'. Below these, there is a text input field and an 'Add' button. The background page shows the book's cover, author, location, and a table of library availability.

Item	Media	Owner	Price(s)	Published On	Publisher	Series	Type
1	Paperback	ELS	5.99	10/06/2016	HarperCollins Publishers	Geek Girl Special	Book

If you find a book / books you might like to read you can create a Reading List to keep track of your ideas.

You can create multiple lists.
