

# THE SIXTH

“ THIS WEEK... ”

BLACK HISTORY  
MONTH

3–7 October 2022

Good luck to our Year 13 students sitting assessments this week.

## UCAS EARLY ENTRY

All students applying for Early Entry must pay and send their applications by **Monday 3rd October** to ensure ample checking time before the external deadline.

## PREDICTED GRADES

These will be shared with all students over the course of the week.

## EXTRA SUPERVISED STUDY PERIODS (SSPs)

All students have SSPs on their timetable, which are completed in the Upper Hexagon. Staff can also request extra SSPs if they have concerns over your work. Your teacher will let you know if you need additional SSPs and an email will tell you which extra session(s) you must attend. Please see the email sent this week which details the process thoroughly. If you require any clarification, please see Mrs Hughes at Sixth Form Student Services.

## YEAR 12 PHOTOGRAPHS

These will be taken on **Tuesday 18th October**. You will be emailed a schedule shortly, please check this carefully.

## INSET DAY

**Friday 7th October** is an INSET Day. School will be closed.

## EARLY FINISH

School will close at 12.15pm on **Thursday 6th October** for our main school Open Evening. Buses will not be running.

If you are not able to make your way home any other way, please let us know by **Friday 30th September** by emailing [amogey@lymmhigh.org.uk](mailto:amogey@lymmhigh.org.uk) and we will organise transport home, probably via a school minibus.

## SAFE DRIVE STAY ALIVE

Please note that this is compulsory for all students, even if they don't drive. Consent needs to be given by **Sunday 2nd October**. See pages 14–15 for more information.

## Black History Month

*Ella McCarthy, Deputy Head of Student Leadership*

Black History Month runs throughout the month of October and in school we will celebrate the history of the African, Caribbean and Asian communities. During this time, it is important for us to reflect on our own behaviour and focus on being anti-racist. It is sometimes hard to admit the unconscious biases we might have, and it is important to recognise that this is because of the predominantly white narrative of history. By looking at Black History Month, we are able to see the opposing narrative.

From science to fashion to art to literature is important to stray from the outdated ideals and fuel our own education in discovering our cultural truths. Black History Month is so much more than skin colour, it is about culture and acceptance and it is recognising a group of people who have been influential in the growth of Britain and celebrating all they have done for us. However, it is also about mourning the activists and innocent citizens who have died for their ethnicity and race. We must realise that this is not only a fight for the Black community, it is also a fight for everyone.

Equality and acceptance of all are at the heart of Lymm's ethos and culture.

DONT FORGET TO:

## UNIFROG – PARENTS

All Year 12 and Year 13 parents will have already received their Unifrog log-in code. Please email [lhughes@lymmhigh.org.uk](mailto:lhughes@lymmhigh.org.uk) if you have any issues with this. [Click here](#) for an outline of how best to use this platform.

## MOOCS

Please [click here](#) for a selection of MOOCS relevant to your subject areas. We highly recommend you complete at least three of these throughout the year, as they show clear evidence that you have gone beyond the realms of your specification. It is also useful to discuss them in your personal statement too.

## YEAR 13 UCAS AND APPRENTICESHIPS

Students are encouraged to carry on with writing their personal statements and beginning their Apprenticeship research and applications. Students should meet with their UCAS referee/mentor and provide them with the [UCAS Referee form](#) which has been emailed to them and is available in hard copy at the Sixth Form Student Services desk. See p.11 for more information.

## ILC AVAILABILITY

Please [click here](#) for a copy of the new rota for Sixth Form availability in the ILC. Please check this rota before you visit the ILC. Please also be aware that if a lesson is booked into the computer area then you cannot use that area, even if some of the computers are unused and it looks as if there's space.

## UCAS and Apprenticeships

This week students are encouraged to carry on with writing their personal statements and beginning their Apprenticeship research and applications. Students should meet with their UCAS referee/mentor and provide them with the UCAS Referee form which has been emailed to them and is available in hard copy at the sixth form student services desk.

For hints and tips on writing your personal statement please use our Futures Teams channel which has a wealth of information available. Students can [click here](#).

In addition the UCAS Hub and UniFrog have many resources for your use.

- UCAS hub: [UCAS Hub - Why should you sign-up?](#) (login with school email)
- UniFrog: [How to write your personal statement like a boss](#)

[Click here](#) to see some activities that you can complete to get you thinking about what a good personal statement looks like.

Students should have chosen who they want to be their reference for UCAS and should have given them their UCAS profile. If they have not, they can [click here](#) to access the profile or pick up a hard copy at the student services desk.

# COMPETITION TIME

## CityZen Civil Engineering Challenge

We are looking for inspired students to create a team to tackle the ICE CityZen Challenge. CityZen is a digital classroom game designed to be played in teams over a period of four weeks, with each week presenting a different Civil Engineering challenge. Teams can compete against each other for the highest score, and learn more about what Civil Engineers do at the same time

As your team discovers more about the role of Civil Engineers in society, we want you to apply your knowledge to your local area and suggest a project that would help improve people's lives in the same way that projects in the game do. Teams should present their project as a video of 2–4 minutes, to be uploaded online for judging.

These types of competition look brilliant on university and job applications. All students are welcome to apply with special interest from DT, Geography and STEM students.

For more information, [click here](#). To express your interest in taking part, please email Miss J Dixon and Miss T Farmer.

# SAFE DRIVE STAY ALIVE

In order to support students with road safety we will be taking part in the Greater Manchester initiative called Safe Drive Stay Alive (SDSA). This will be held in **The Middleton Arena in Manchester**. This is a live theatre-based performance and has been delivered every year since 2014 to a total of over 50,000 young people.

Year 12 will visit on **Wednesday 2nd November** and Year 13 will visit on **Thursday 3rd November**. Students will register in their Form rooms as usual at 8.25am and we will leave by 8.45 at the latest. Students will return at around 12.30pm and will likely attend what is left of Period 4.

To register your child please use the sign up link provided to parents via School Comms.

The cost of the trip is £5.00 per student, which is available to pay on ParentPay now. We kindly request that you pay this by **Sunday 2nd October**. If your child is in receipt of the Bursary Fund, you may have the cost of the trip covered by the fund, please email [lhughes@lymmhigh.org.uk](mailto:lhughes@lymmhigh.org.uk).

Safe Drive Stay Alive (SDSA) is an emotionally engaging and thought-provoking road safety education production, put together by all of the emergency services, which aims to raise road safety awareness amongst young people and positively influence their attitudes to driving as well as their role as a passenger in cars.

Due to the emotional nature of the film, and as a duty of care, colleges and schools are advised that if a student has recently experienced a trauma, from a road traffic collision or another traumatic event, that students should be given the option to opt out. Teaching and pastoral staff will be present to monitor the

# SAFE DRIVE STAY ALIVE

welfare of students as they watch the film and offer any necessary support afterwards to ensure that their wellbeing is cared for. It may also be useful if you discuss any issues the film has raised for them when they return home from college.

If you would like to seek further support for anyone after watching the film, please speak to the Lymm High School Pastoral Team or alternatively you can visit the website of the charity RoadPeace, [www.RoadPeace.org](http://www.RoadPeace.org), or call their helpline on 0845 4500 355.

Safe Drive Stay Alive comprises of a series of films and Speakers, featuring people recalling true stories and the real-life impacts of road traffic collisions. They have carefully included real stories, whereby risk-taking and consequences can be clearly linked by the viewer, with the aim of helping young people see for themselves how their actions when out in cars could be life changing. They cover the messages about the 'Fatal 5' risks known to lead to young driver collisions within the film clips. These are:

- speeding
- Distraction
- drink and drug driving
- non-seatbelt wearing
- peer pressure.

They also appeal to our audiences to be good influences as passengers and to speak up if they don't feel safe.

At the end of the performance, students will be invited to follow SDSA Greater Manchester on Instagram or Twitter, and to post a road safety pledge or comment on what they thought about the film. They would love to hear about what students learnt, and what they will do to stay safe as passengers or new drivers. If they do so, they will be automatically entered into a prize draw to win £350 of Apple Vouchers. They can follow the initiative at @SafeDriveGM. SDSA will then be able to send road safety messages via our social media accounts to remind young people of the risks and safety tips they have heard about in the film.

For further details on Safe Drive Stay Alive Greater Manchester, and how you can support the road safety of your child, please visit [www.SafeDriveGM.co.uk](http://www.SafeDriveGM.co.uk)

## University of Liverpool Maths Club

- 29th October 2022
- 26th November 2022
- 28th January 2023
- 25th February 2023
- 25th March 2023
- 22nd April 2023

This free monthly Maths session is for GCSE and A' Level students who want to experience challeng-

ing and enriching mathematics from beyond the school curriculum in a welcoming university environment. The sessions take place on the University campus on a **Saturday** morning and are designed to be as interactive as possible. They are delivered mainly by academic staff and postgraduates from across the Faculty of Science & Engineering, with occasional invited speakers from research or industry.

This is an excellent opportunity for students to be introduced to a range of mathematical ideas, experience what it's like to learn mathematics in a university environment, explore topics linked to research and the university curriculum, and meet University of Liverpool staff and students informally.

All meetings take place from 10–12.30pm with a short break between the two sessions. A reminder email is sent ahead of each date. There is no dress code for Maths Club and school uniform is not necessary. You should bring along a pen, pencil, ruler and scientific calculator to all meetings. Any specialist equipment or resources needed in addition to those basic items will be provided for you. Details of forthcoming talks and an archive of some past talks may be [found here](#).

All prospective members need to [sign up here](#) before attending Maths Club.

## Model Law Commission

*Deadline: Saturday 1st October 2022, 7pm*

Are you interested in learning more about the way law works in the UK, the way it is made and changed and in fair access to justice for everyone? If so, the Model Law Commission is a 3-month long project that provides A' level students with the chance to simulate the work of the Law Commission. The pool of students is split into four groups, each tasked with the reform of one of the following areas of law: (1) Family, Trusts or Land Law; (2) Criminal Law; (3) Commercial and Common Law; or (4) Public Law. From October to December, students undertake a five-stage process: research, formulating recommendations, consulting with their peers, reporting on their proposals and devising their legislation.

Each year, the Model Law Commission begins with a 2-day conference. It is over the course of these two days that students are introduced to their respective topics by experts in the field. The students are also visited by individuals from the Law Commission itself who advise on the difficulties in reforming the law and how to write a law reform report. The students then take that information and over the following weeks discuss reform ideas with each other, their Group Leaders and their peers.

The project then concludes with a final report launch event in December, hosted by MPs and visitors from the Law Commission. In advance of the event, each student will receive a printed and published copy of their group's reform report.

The project will take place on the following dates via Zoom:

- Weekend conference: 10–4pm on **Saturday 8th** and **Sunday 9th October**
- 6–8pm on **Thursday 13th October**
- 6–8pm on **Thursday 20th October**
- 6–8pm on **Thursday 27th October**
- 6–8pm on **Thursday 3rd November**
- 6–8pm on **Thursday 10th November**
- 6–8pm on **Thursday 17th November**
- 6–8pm on **Thursday 24th November**
- 6–8pm on **Thursday 8th December**
- Final event: 6–8pm on **Thursday 15th December** (TBC)

To apply please complete a brief application form by [clicking here](#).
