Duke of Edinburgh 2022/23

Silver – Year 10

Dear Parent / Carer,

We are delighted to launch the Duke of Edinburgh's award at Lymm High School for 2022-23 and we hope your child might choose to sign up. Last year, we had nearly 300 students sign up and it has been fantastic to see participation remain high for a number of years now. We continue to offer all 3 awards in school and these will be open to all students in the 3 year groups below, thanks to the continued collaboration with *Get Outside The Classroom (GOTC)*, the expedition provider we have worked with for the last 6 years. We will be offering the following awards this year:

- Bronze to Year 9
- Silver to Year 10
- Gold to Year 12

We do not offer the Duke of Edinburgh's award in Years 11 and 13 due to our students' external examinations, but students in these years are welcome to pursue DofE awards outside of school if they wish.

The **Silver Duke of Edinburgh's award** is available to **Year 10**, Bronze is available to Year 9 and Gold is available to Year 12. Students do not need to have done Bronze DofE to sign up for Silver.

Further information (including FAQ), is available on the school's website under Enrichment/Duke of Edinburgh; there is also a wealth of information on www.dofe.org. We would thoroughly recommend taking some time to access this information before committing to any payments or expedition dates. We have created a couple of parent information presentations about DofE and again would urge you to have a look at these before signing up.

A DofE award is an enormously valuable programme and is recognised worldwide. Universities and employers are looking for more than just strong academic achievement and participation in extra-curricular activities, so emphasising involvement in DofE on a UCAS or job application can tell an institution or employer that a student is ambitious, has demonstrated leadership skills and commitment, and has spent time helping other people in their community.

The cost of the Silver award this year is **£375**, which covers the training day, 2 expeditions, insurance and the DofE registration pack. It is important to make you aware that the school operates the Duke of Edinburgh's award on a 'not-for-profit' basis. The school directly funds the cost of additional support from Get Outside The Classroom (for example the eDofE Support Sessions we run throughout the year), and this does not affect the cost to students in any way. Due to our large numbers, we would not be able to run the DofE programmes in school without the support of GOTC. Equipment such as tents, stoves, fuel bottles, waterproofs, roll mats and rucksacks can all be borrowed from the school free of charge and any monies remaining in budgets at the end of the year are reinvested to ensure future participation.

We will open an enrolment window from **24th November to 16th December 2022** for participants to secure a place – after 16th December, we will not be accepting further sign-ups onto DofE programmes. During this period an initial non-refundable deposit of £100 will need to be made using Parent Pay. Your child will also need to return the reply slip, confirming they are able to commit to the various aspects of the DofE award in question, in particular the dates of the compulsory training day and 2 (Bronze & Silver) or 3 (Gold) compulsory expeditions.

The **final balance for all awards needs to be paid by 3rd March 2023**. A place on the expeditions will not be allocated without full payment being made by this date. If you would prefer to pay in instalments by this deadline, please contact Mrs M Hayes in the School Shop to arrange on 01925 755458 ext. 113.

Please be aware that in the unlikely event of a conflict in dates occurring, injury/illness or family emergency preventing a student's participation in any expedition or training day, unfortunately it may not be possible to refund monies paid, due to costs already incurred by the school. You may wish to explore personal travel insurance options where your provider allows before signing up. Circumstances for a need to withdraw are by their nature very individual and we would ask you to contact Mark Harnden via email (mark@getoutsidetheclassroom.co.uk) as soon as possible should any issues arise. We would also ask you to cross-reference the expedition dates with your family calendar and ensure you are able to drop-off and pick-up your child on the expedition dates indicated before signing up to ensure your child can commit to the award fully.

Training and expedition dates for this year are set in the school calendar as follows:

SILVER – Year 10

Event/Expedition	Date	Venue	Transportation
Silver Training Day	Thurs 2 Feb 2023	Lymm HS	n/a
Silver Training Expedition	Mon 17 April – Wed 19 April 2023	Likely to be Peak District or Llangollen	Parents
Silver Qualifying Expedition	Sun 25 June – Tues 27 June 2023	Likely to be Peak District or Llangollen	Parents

Please be aware that in order to keep costs down for participants, parents are required to drop off and collect for all DofE expeditions (you may find it helpful to car share).

Participants will be given access to an online eDofE account and shown how to add their section aims and evidence after we purchase places (this will be done on a weekly basis for the students who have signed up the week before). DofE now send registration packs direct to students' home addresses but we will continue to get students logged on and set-up on eDofE in a registration session in school. Once students have completed the aims and chosen their activities for their sections, they simply need to follow their commitments and obtain the important Assessor's Report as soon as they have finished.

The Duke of Edinburgh's award is a fantastic opportunity and all students are welcome to apply for a place. If your child is eligible for Pupil Premium, please consider using your trip voucher towards the cost of the award by informing Mrs M Hayes in the School Shop (mhayes@lymmhigh.org.uk). We would just like to finish by taking this opportunity to thank you in advance for all the support you will undoubtedly be offering in the background to help your child to participate. If you have any queries regarding any aspect of the award please don't hesitate to get in touch. We really look forward to your child's participation in the Duke of Edinburgh's award this year.

Yours faithfully,

M Harnden
