

UTC WARRINGTON

MEET THE EMPLOYERS

THURSDAY 26TH JANUARY 5:30PM – 7:30PM.

Here at UTCW we regularly work alongside a number of industry leading, international, regional and local companies across the Engineering, Construction, Digital and Science industries. We are hosting an event with a large number of our employer partners and would like to invite your students from Year 9, Year 10 and Year 11. The event will give your students the opportunity to meet with employers, gain insight into what they do, learn what it takes to work for them and how to access their early careers programmes.

Please register online at:

WWW.UTCW.CO.UK/EVENTS/EVENTS/

For more information about the event, how to register or any questions please contact:
