

THE SIXTH

THIS WEEK...

NATIONAL APPRENTICESHIP WEEK AND MENTAL HEALTH WEEK

6–10 February 2023

NATIONAL APPRENTICESHIP WEEK

This week, students will be receiving lots of information about Apprenticeships. We have created a booklet (p.2) all about Apprenticeship information. Current Apprenticeship vacancies are on pages 12–25.

BIOLOGY LECTURE

Mr Shaun Williams joins us from Manchester University to discuss the Circadian Rhythm and applications for Sciences at Manchester University (see p.5).

MENTAL HEALTH

Children's Mental Health week runs through the week commencing **Monday 6th February**.

This year's theme is 'Let's Connect' (see p.30).

SAFER INTERNET DAY

Tuesday 7th February is Safer Internet Day. For top tips for parents, [click here](#). For top tips for young people, [click here](#). To hear from students about what they think is important about the internet, [click here](#). (See also p.11).

KEY DATES AND ASSESSMENTS

Please [click here](#) to view the Assessment calendar, which includes key dates for the year.

GREENCORE TALK

Last week, Year 13 had a talk from Greencore about the apprenticeship vacancies they currently have. Here is [the link](#) to apply for this year's apprenticeship programmes.

We've put together a booklet all about Apprenticeships, which can be [downloaded here](#).

This booklet contains useful information, such as:

- Apprenticeship Levels explained
- Careers Education at Lymm High
- How much do you know about apprenticeships
- Why be an apprentice?
- Tips on finding an Apprenticeship
- Finding the best apprenticeship for you
- What is a Degree Apprenticeship?
- Higher & Degree Listing,
- Tips on applying for an Apprenticeship
- Tips on finding a Traineeship

National Apprenticeship Week #NAW2023

This week is **National Apprenticeship Week**,
6–12th February 2023.

The week brings together businesses and apprentices across the country to shine a light on the positive impact that apprenticeships make to individuals, businesses and the wider economy.

The theme for National Apprenticeship Week 2023 is 'Skills for Life'; reflecting on how apprenticeships can help individuals to develop the skills and knowledge required for a rewarding career, and businesses to develop a talented workforce that is equipped with future-ready skills.

You can keep up to date with National Apprenticeship Week 2023 updates on social media by following @Apprenticeships on Twitter. The hashtags #NAW2023 are being used on social media activity.

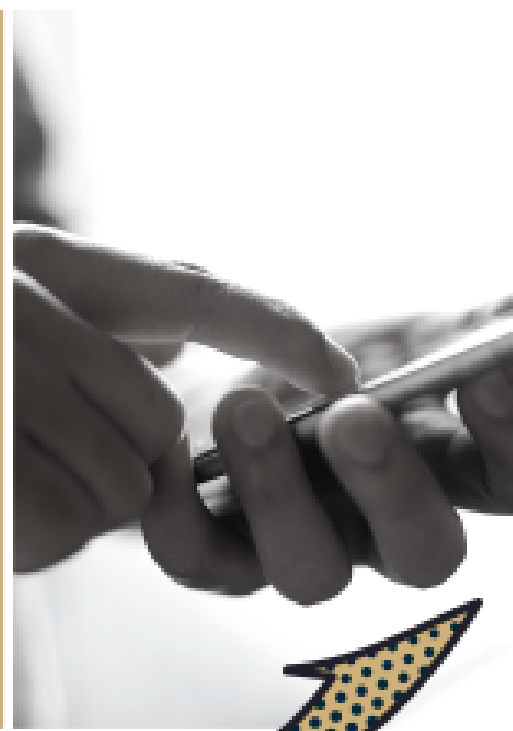

To find out more about apprenticeships,
visit: www.apprenticeships.gov.uk

WHAT'S ON THIS WEEK

CALENDAR

6–10 February 2023

DAY	YEAR 12	YEAR 13	OTHER EVENTS
MONDAY	Assembly – delivered by ISG construction specialists	Mentoring	National Apprenticeship Week begins
TUESDAY	Mentoring	Assembly – delivered by WSP	Safer Internet Day
WEDNESDAY	Life Programme – Reporting Sexual Harassment	Life Programme – Warrington Youth Drugs Team	Biology Lecture – Shaun Williams, N206, 2pm (see p.5)
THURSDAY	National Apprenticeship Week task	Study Skills – Preparation for Mock Exams	Business Lecture (year 12/13) – Dark Leadership (see p.6)
FRIDAY	Mental Health Week activity	Mental Health Week activity	

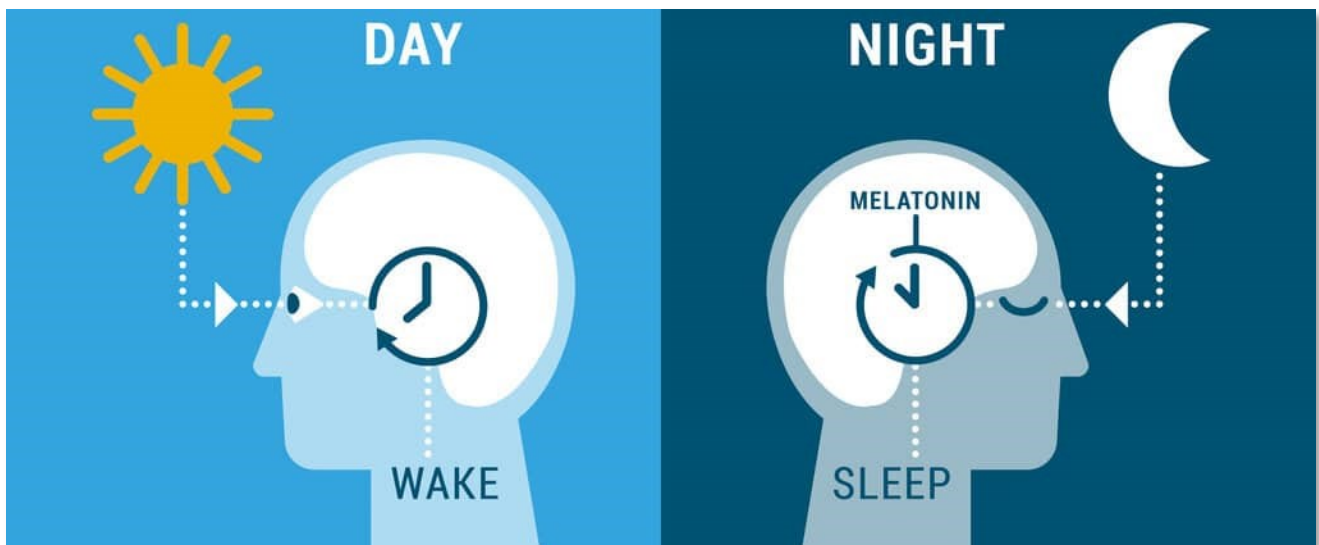

WHAT'S ON THIS WEEK

Circadian Rhythm lecture (and applying to Manchester)

Wednesday 8th February, N206, 2–3pm

We are lucky to have Shaun Wright from the University of Manchester join us next week to give a lecture on applying to Manchester University and also to talk about his PhD research on the biological system 'the Circadian Rhythm'. This talk is compulsory for Year 12 Biology students, but Year 13 students are welcome too. We also recommend joining if you are interested in applying to Manchester University in the future.

Circadian rhythms are 24-hour cycles that are part of the body's internal clock, running in the background to carry out essential functions and processes. One of the most important and well-known circadian rhythms is the sleep–wake cycle. Shaun will discuss the importance of the rhythm and his research into its function. For more information, [click here](#).

WHAT'S ON THIS WEEK

Dark Leadership lecture

Thursday 9th February, 8.30am

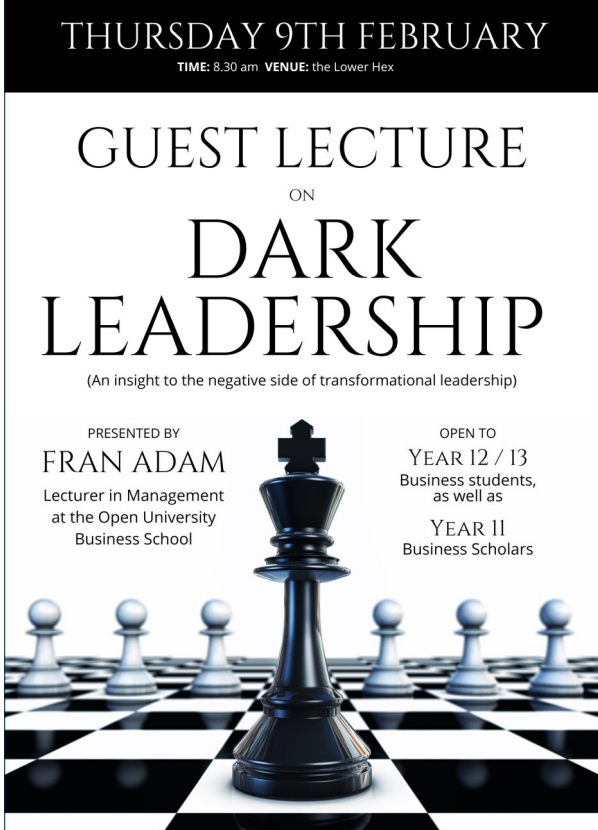

The Business Department has an exciting opportunity for its business students.

You are invited to attend a lecture on *Dark Leadership, the negative aspects of leaders*, discussing when leaders 'go bad'. Fran Adam is a University lecturer and has kindly agreed to come in and discuss this really interesting topic with you.

The lecture will be in the Lower Hexagon and will be for approximately 40 minutes.

I have attached [an article](#) and some [questions](#) to think about. The article will be 'used' during the lecture, so please make sure that you have read it beforehand. You could discuss it and the questions with your class mates too.

If you have any questions about this, please don't hesitate to contact Mrs Hill either by email (khill@lymmhigh.org.uk) or in person before the date.

THURSDAY 9TH FEBRUARY
TIME: 8.30 am VENUE: the Lower Hex

Business students,
as well as
YEAR 11
Business Scholars

NEWS

Apprenticeship Mock Assessment

Year 13 students took part in an Apprenticeship Mock Assessment run by Warrington and Cheshire Pledge. The event was held in Northwich and was designed to give students a real taste of a mock assessment to support their confidence to apply and be successful in securing an apprenticeship. It consisted of:

- **Team Building Task** – Working in small groups with students from other schools, students were set a task to build a marble run while being assessed on their engagement, communication and teamwork skills by a panel of employers. Afterwards, they were given feedback on their performance.
- **Speed Interview** – In front of a panel of employers, students answered strength and competency-based questions using the STAR technique to structure their responses.
- **Preparing for a presentation** – In groups, students chose a topic and worked together to prepare a presentation. They researched their business idea, set marketing strategies, and discussed their target market.
- **Presentation** – Students delivered their business idea, on stage, to a panel of employers. There were some fantastic ideas, delivered with confidence (and in some cases humour!). Employers gave the students feedback on their presentations, which were all very positive.

The students reported that the event had been enjoyable and helped increase their confidence. Josh said, “It was a really useful day and good to connect with employers”.

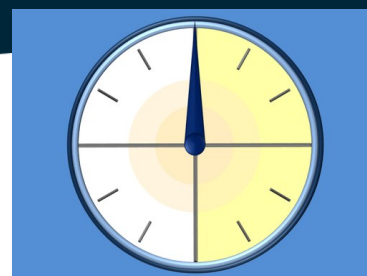

Reece and Lily pitched their business idea 'Your Li' Unicorn. Shown here with the product prototype 'Mike'.

Max and Josh pitched their ZimZim business idea: the latest in Zimmer frame technology.

REVISION SUPPORT

Year 13 Countdown to Mock Exams

There are now only 4 weeks until your Mock Examinations begin: why not use this [study planner](#) to help you organise your time?

Year 13 Intervention Timetable

Subject staff are running the following intervention sessions to help support students in the run up to the Mock Examinations.

Subject	Day	Time	Room	Staff Member
Media	Tuesday	3.20–4.30	B206	M Lorenzelli

REMINDERS

DONT FORGET TO:

CAREERS APPOINTMENTS

Careers appointments are available every **Tuesday** for our Year 13 students.
Email: Sixthform@lymmhigh.org.uk to sign up.

ENRICHMENT AND SPORTS CALENDAR

Please [click here](#) to view the Enrichment timetable for Year 12 and Year 13.

SPORTS TOUR 2024

If any Year 12 student is interested in the 2-week South Africa Sports Tour then please see Mr Pickles for more information. The sports that we will be looking to take are Football (Boys and Girls), Rugby, Hockey and Netball. The tour will be leaving on **Saturday 13th July 2024**.

Some of the activities will be Table Mountain, Robin Island, Cape tour, Safari, Canopy Tour and Apartheid museum.

UCAS LETTER

Please [click here](#) for a letter sent regarding UCAS applications.

FUTURES

OPPORTUNITIES

Psychology Essay Competition: Minds Underground

Registration will open in March 2023

National psychology competition

This national Psychology competition from Royal Holloway enables Year 12 students to pit their psychology skills against pupils from across the UK.

To enter the competition, students answer the competition question with a 2-minute video (submitted before the event) and a corresponding poster (to be presented at the on-campus event).

Students may want to look at findings from psychological studies, think about the implications of a psychological theory, or approach it completely differently. It's an opportunity for you to showcase your understanding of Psychology.

The competition question is yet to be announced but students are advised to register teams as soon as possible as this event fills up fast. Teams need to be 2–5 students. Please note that team places for this event fill up fast and registration is first-come, first-serve.

For further information, [click here](#).

E-Safety Information Evening

9th February 2023

Online

6pm

- Information for parents & carers
- How to keep children safe online
- External speaker from Smoothwall

Warrington Apprenticeship and Jobs Fair

Wednesday 8th February 2023, 5–7.30pm

This free, local event is an excellent opportunity to widen knowledge of apprenticeships and will also provide information on available roles for application.

- 50 employers represented
- All with roles and apprenticeships available for application
- Wide range of sectors present, including STEM, Digital, Construction, Care, Hospitality, Logistics, Finance, Administration, Armed Forces
- All levels of apprenticeships available from entry level to degree
- Myth busting talks about apprenticeships
- Apprenticeship and T level courses

Higher & Degree Apprenticeships Vacancy Listing

The February 2023 edition of the Higher & Degree vacancy listing has now been launched, just in time for National Apprenticeship Week.

The listing includes over 300 Higher and Degree apprenticeship vacancies from 70 employers, including Balfour Beatty, Ofcom, Goldman Sachs, Government Economic Service (GES), MBDA, Ford Motor and Jaguar Land Rover.

To download the Higher & Degree listing, [click here](#).

- Please [click here](#) to see this week's list of current apprenticeships in the Warrington area. For further details and to apply for any of these vacancies go to the [National Apprenticeship Website](#)
- [Click here](#) for the 2022 Top 100 Apprenticeship Providers.
- Further opportunities in Cheshire and Warrington can be viewed [here](#) and [here](#).
- **Don't forget to use Unifrog to search for Apprenticeship opportunities too!**

Zurich Insurance Apprenticeships

Tuesday 28th February 2023, 6.30–7.30pm

Insurance is so much more than you think! Zurich apprenticeships cover not only claims and underwriting but also opportunities such as Data Science, Operations & IT and Marketing, plus more. These range from Level 3 apprenticeships right up to Level 6-degree apprenticeships.

This free online webinar will include:

- Introduction to Zurich
- Zurich Programmes
- Exploring graduate opportunities
- Why choose an apprenticeship in IT & Ops, Data & Analytics, Marketing, General Insurance and Claims
- Application process
- Q&A session, where you'll be able to ask questions directly to their recruitment team.

To reserve a place, [click here](#).

Google Apprenticeships

Thursday 23rd February 2023, 6.30–7.30pm

Google is an American multinational technology company focusing on search engine technology, online advertising, cloud computing, computer software, quantum computing, e-commerce, artificial intelligence, and consumer electronics. This webinar will provide you with the opportunity to meet Google apprentices from different paths, and find out about their routes to doing an apprenticeship and working at Google. They will also share their tips and tricks for the recruitment process and answer any questions you may have.

Structure of the webinar:

- Introduction to Google
- Google apprenticeship opportunities overview
- Google apprentices career paths
- CV/recruitment process tips and tricks
- Q&A session, where you'll be able to ask questions directly to their recruitment team

Special Focus – UCAS Applications – Applying for Apprenticeships

Insight evening with Babcock International

Thursday 9th February, 5–6.30pm

Interested in a career within the engineering industry? Babcock International has lots of exciting school leaver opportunities to share with you.

This British aerospace, defence, and nuclear engineering services company specialises in managing complex assets and infrastructure. Founded in 1891, it operates in the UK, Australasia, Canada, France and South Africa, and employs around 28,000 employees.

If you're interested in gaining a further understanding of Babcock as a business and have the creativity, curiosity, and the passion to learn then look no further.

In return you'll hear everything about the company and the exciting opportunities they have on offer that are making a global impact.

To register, [click here](#).

The image is a promotional poster for a National Apprenticeship Week Event. At the top, the Babcock logo is on the left and the Cavendish Nuclear logo is on the right, with the text 'part of Babcock International Group' below it. The event title 'NATIONAL APPRENTICESHIP WEEK EVENT' is centered in white text on a dark blue background. Below the text is a collage of images: a large white ship, a submarine, and two people in blue Babcock workwear. At the bottom, the event date and time 'THURSDAY 9TH FEBRUARY | 17:00 - 18:30' are displayed in white text on a dark blue background.

NATIONAL APPRENTICESHIP WEEK EVENT

THURSDAY 9TH FEBRUARY | 17:00 - 18:30

Energy sector apprenticeships at EDF Energy

Tuesday 21st February 2023, 6.30–7.30pm

If you're passionate about tackling climate change, this Apprenticeship programme offers students the opportunity to develop an exciting career whilst helping progress the UK towards a Net Zero future.

As well as EDF Apprentices, Recruitment Specialists and Programme Leads will inform students about the type of Apprenticeships on offer and what the recruitment process involves. This is a fantastic opportunity to hear about the support EDF offers during training, as well as where an Apprenticeship could take your career. You'll also have a chance to ask lots of questions!

The structure of the webinar is:

- Insights about the company
- Introduction and overview of the recruitment process
- Life of an apprentice at EDF from current apprentices
- PLUS a Q&A session, where you'll be able to ask questions directly to their recruitment team

To book your place, [click here](#).

National Apprenticeship Week 2023

6–12 February 2023

National Apprenticeship Week (NAW) 2023 is the 16th annual week-long celebration of apprenticeships.

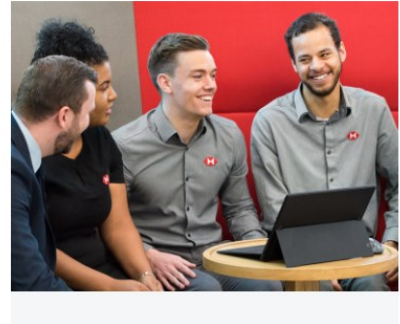

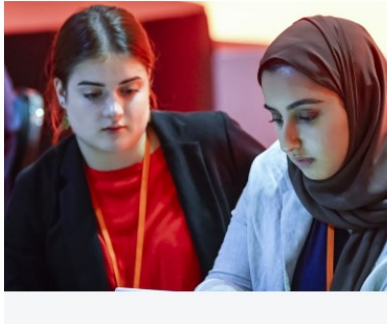

The week brings together businesses and apprentices across the country to shine a light on the positive impact that apprenticeships make to individuals, businesses and the wider economy.

Skills For Life

The theme for National Apprenticeship Week 2023 is 'Skills for Life'; reflecting on how apprenticeships can help individuals to develop the skills and knowledge required for a rewarding career, and businesses to develop a talented workforce that is equipped with future-ready skills.

To find out more about NAW 2023, [click here](#).

HSBC Apprenticeship opportunities

Throughout National Apprenticeship Week 2023, HSBC will be hosting Taster Events to promote apprenticeships, giving you the opportunity to discover and consider whether an apprenticeship could be the beginning of your career.

Virtual Student Taster Session

Wednesday 8th February 2023, 7–8.30pm

All parents and students of any ages are welcome to join this session to discover what apprenticeships are, what it is really like to be an apprentice, and to hear about all of the apprenticeship opportunities you can apply to at HSBC. If you have any questions about apprenticeships, then please bring them to this session.

To pre-register for this virtual session, [click here](#).

Student Taster Events

We are opening up our offices for students to join us for Student Taster Events. During these Taster Events we will give you the opportunity to find out what an apprenticeship is, learn about life at HSBC, understand the early careers programmes that we offer and ask questions to some current HSBC apprentices.

Monday 6th February 2023, 10–12pm

1 Centenary Square, Birmingham B1 1HQ

Tuesday 7th February 2023, 12–2pm

40 Wakefield Road, Stourton, Leeds LS98 1FD

To register for an in-person Student Taster Event, please email your name, school, school year and event location to: apprenticeship.team@hsbc.com.

Apprentice Building Services Technician

Closing date to apply: Tuesday 28th February 2023

Clancy Consulting is a specialist engineering consultancy delivering creative engineering designs. This role involves supporting engineers, surveyors and architects on construction projects. This a great opportunity for someone looking to start a career in engineering! Enthusiasm, ambition, commitment and a willingness to learn and develop in the field of engineering are the key traits at this stage. For those willing to put in the effort, a rewarding career is guaranteed.

Essential Duties and Responsibilities:

- Produce simple design calculations and CAD drawings.
- Produce drawings within REVIT as per project BIM requirements.
- Perform general sizing calculations in the MEP field.
- Help the team to manage the flow of information within agreed timescales.
- Be enthusiastic to learn and develop new skills and software use and actively apply in your daily work.
- Work as part of a larger team to deliver the project.
- Communicate effectively with team members, clients, and other construction professionals about projects.
- Check the progress of technical aspects of the construction work.
- Contribute to providing solutions to design problems.
- Ensure designs meet required standards following our Integrated Management System.

Upon completion of the Level 3 Apprenticeship, there may be an opportunity to progress onto a HNC or Degree Apprenticeship.

For further information, and to apply, please [click here](#).

Apprenticeships at Jaguar Land Rover

Wednesday 8th February 2023, 6.30–7.15pm

The evolution of vehicles has never been more exciting.

As a Jaguar Land Rover Apprentice you'll be starting your journey to a fantastic career with a team of pioneers. You'll enjoy practical experience. You'll work towards nationally recognised qualifications and develop knowledge and skills to build the cars of tomorrow.

At this webinar, you can find out more about Jaguar Land Rover apprenticeship opportunities. Get hints and tips for your applications and hear from current apprentices about why they think Jaguar Land Rover is the perfect place to start your career.

- Introduction to Jaguar Land Rover apprenticeship opportunities
- Apprentice Panel Q&A (apprentices talking about what they do and why they applied)
- Application process and reasons to apply
- PLUS a Q&A session, where you'll be able to ask questions directly to their recruitment team

To book your place, [click here](#).

Jaguar Land Rover Apprenticeships

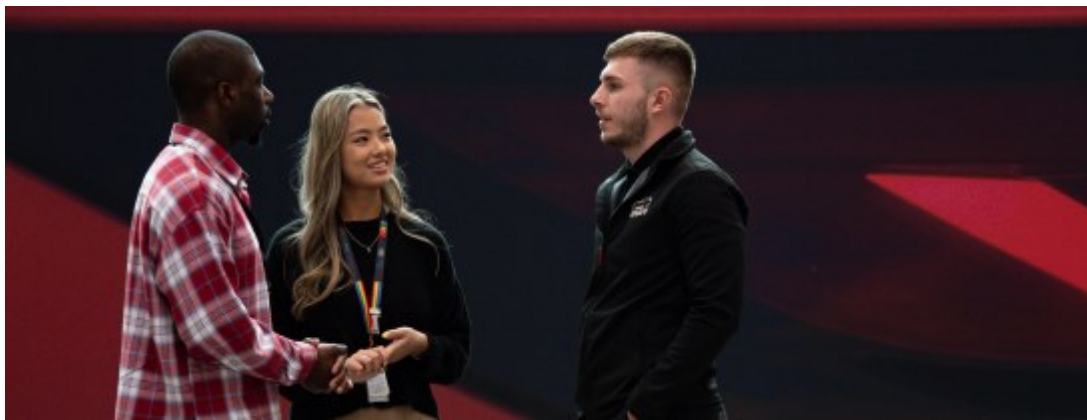

Start date: September 2023

Jaguar Land Rover is welcoming applications from curious, creative and bright minds to join them for the start of an exciting journey of creating the next generation of luxury, sustainable cars.

Applications are open for:

- Level 3 Advanced Apprenticeship (Manufacturing or Automotive)
- Level 6 Digital and Technology Solutions Degree Apprenticeship
- Level 6 Applied Professional Engineering Degree Apprenticeship Programme
- Level 6 Supply Chain and Logistics Degree Apprenticeship

For information on these roles, [click here](#).

Electricity North West Apprenticeships now open

The power network operator is recruiting for 33 apprenticeship roles. The new roles will play a key part in the network's ambition to lead the North West to net zero while keeping its costs down. Successful applicants will be in training for up to 3 years at the power network operator's state-of-the-art training academy, as well as various depots throughout the region.

- A starting salary of £12,699.44 (Level 3) or £18,500 (Level 4), which increases each year depending on achieving programme milestones
- 23 days holiday plus bank holidays
- Support to achieve a Level 3 or level 4 apprenticeship
- Lots of learning opportunities to get involved in
- Full support from a mentor throughout the programme and learning opportunities
- A range of fantastic flexible benefits including a rewards platform (Energise) offering discounts on leisure, retail and travel
- Pension scheme.

To find out more information about the roles on offer, [click here](#).

The ASPIRE programme

Our ASPIRE programme gives school leavers the opportunity to start their careers in professional, challenging and fast paced businesses.

The programme is a structured yet tailor-made, two-year rotational scheme with placements in two business areas within our Banking division.

ASPIRE trainees join various teams and departments; progressing quickly to work on the front-line handling customer queries and gaining experience with successful sales teams. Learning is very much on the job with supportive teams and mentors. We also provide full sponsorship to complete an apprenticeship.

Who are we looking for?

Academically, applicants must have obtained GCSE grade C/4 in Maths and English Language or BTEC Level 2, and predicted/achieved minimum A-level grades B,B,C (112 UCAS points at AS/A-Level*) excluding general studies.

Locations

You must be mobile and willing to move to where the best placement opportunities are; some examples of popular locations are Wimbledon, Doncaster, Manchester, Hove and Chester.

Salary and benefits

£22,000 in the first year, rising to £23,000 in the second year plus a competitive benefits package including eligibility for a discretionary annual bonus, a mobility allowance (to support a move out of current location/home to take up a placement in another part of the UK) of up to £5k per annum, a cycle to work scheme, season ticket loan, pension and life assurance.

Start date: Week commencing 25 September 2023. All applicants must have the right to work in the UK.

Deadline for applications: Sunday 12 March 2023

CAREERS

Mechanical Engineering vocational training

Fast Forward Vocational Training is based at your local Teamsport indoor karting track in Slutchers Lane, Warrington. This STEM course aims to provide a line of sight to a future career in mechanical engineering and give the students experience in an active workplace alongside Teamsport staff whilst gaining a nationally recognised qualification in motor vehicle studies.

STUDENTS CAN ACHIEVE A NATIONALLY RECOGNISED MECHANICS QUALIFICATION

DEVELOP SKILLS IN A WORKSHOP
Your students will experience real world mechanical problems allowing them to be fully immersed in the programme.

HELPING SCHOOLS TO MEET GATSBY BENCHMARKS

ABOUT US
TeamSport Indoor Karting and Fast Forward Vocational Training have teamed up nationally to offer an exciting, engaging and unique opportunity for young people wishing to acquire vocational skills and qualifications.
Fast Forward is a specialist low-cost training provider with a determination to bridge the gap between disadvantaged youths and their peers to enable success and build positive futures across the UK.
Together we are able to offer an opportunity to young people throughout the country.

CAREERS

Get into Law insight evening

Tuesday 7th February, 5–8pm

For students considering a career in law, this virtual event will provide a great insight to what a career in law might look like. Eight of the world's biggest law firms / institutions will be present, including Magic Circle Law Firms Clifford Chance and Linklaters, Browne Jacobson, Freeths, Farrer & Co, Charles Russell Speechlys, Fragomen and the University of Law.

Students will have the opportunity to hear from and take part in workshops led by some of the biggest players within the legal industry. Throughout the evening there will be lots of opportunities for networking where students can go in and out of different exhibition booths, ask questions directly to solicitors and legal professionals whilst hearing all about the different routes into the industry including work experience placements and solicitor Apprenticeship programmes.

To register, [click here](#).

CAREERS

Finance, accounting and professional services evening

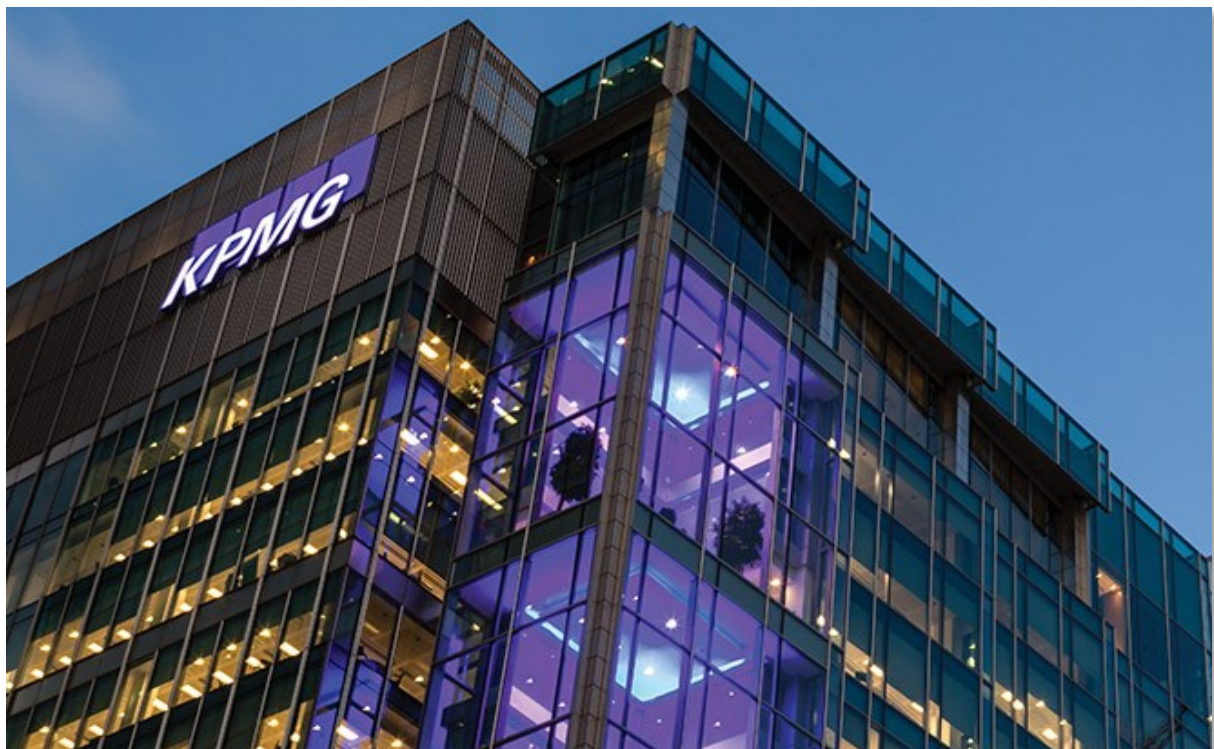

Monday 6th February, 5–8pm

This is an event aimed at all prospective business and finance students. It will involve eight of the world's biggest finance, accounting and consulting firms: PwC, KPMG, Goldman Sachs, Legal & General, Fidelity International, Mazars, Grant Thornton and CIMA.

Throughout the evening, there will be lots of opportunities for networking where students can go in and out of different exhibition booths, ask questions directly to business, accounting, finance, and asset management professionals whilst hearing all about the different routes into the industry, including work experience placements and apprenticeship programmes.

This event is going to give any student a wealth of knowledge, a load of connections from the business profession like no other, as well as giving you a huge advantage in securing some work experience or even a Degree Apprenticeship opportunity.

To secure a place to this virtual event, please [register here](#).

Children's Mental Health Week

6–12 February 2023

Take part in Children's Mental Health Week, and help make a difference to the lives of children and young people across the UK. This year's theme is Let's Connect.

To learn more about the power of connection, [click here](#).

A reminder that it is important to connect with others as part of our mental wellness routines and mental health. This can include playing sports together, volunteering, visiting places of worship, taking part in tutoring at school, stopping by the pastoral office for a chat, and asking questions to others in your classes and form.

In addition to connecting in person it can feel easier to connect online. Whilst online relationship can be hugely rewarding don't forget that your in-person life matters too and that if you are in conducting friendships online, please do so safely.
