Dear Parent/Carer,

**Re: VISIT TO UNIVERSITY OF LIVERPOOL – Tuesday 11<sup>th</sup> July 2023**

Following our successful trip to University of Chester on 15th March, we have organised another trip to the University of Liverpool on 11<sup>th</sup> July 2023. The University of Liverpool is a city campus and is also a member of the prestigious Russell Group of Universities.

This is a fantastic opportunity for all students to gain an insight into University and experience life in a city campus. Students will experience taster lectures across a variety of subjects, campus tours and workshops to support their applications to University, as well as time to speak to existing students at the University about their experiences.

Students may attend in their own clothes and must register at 8.25am as normal and will return before the end of the school day at approximately 3pm. Once at the university, students will follow a programme of activities, moving round the city campus in groups, although staff will be on hand to offer support. Lunch will be **NOT** be provided on the day. Therefore, students will need to bring a packed lunch. Students may also bring money to purchase anything additional they may need.

The cost of the trip is £17.50 which covers the travel costs of the trip. To ensure your child can take advantage of this fantastic opportunity, please login to Parent Pay to make payment and complete the consent and medical information by no later than Tuesday 13<sup>th</sup> June 2023. Unfortunately, we no longer accept cash payments.

If you require your log in details for Parent Pay, please contact Mrs M Hayes on [mhayes@lymmhigh.org.uk](mailto:mhayes@lymmhigh.org.uk). Please note that students in receipt of the bursary fund will have the cost of this trip paid for, however parents / carers must still login to Parent Pay in order to give their consent for the trip.

If you have any queries about this event, please do not hesitate to contact Sixth Form Student Services on 01925 755458 extension 124.

Yours faithfully
