## Year 13 Tennis Marathon for St Rocco's Hospice

*Saturday 1st April*

In May 2022, Vicky Matthews was diagnosed with a grade 4 glioblastoma brain tumour. She has recently been admitted into St Rocco's Hospice so her ongoing support needs can be assessed. The staff have been really supportive while they decide how best to look after her.

Because Vicky loves tennis, and often played, her daughter Holly and family friend Bree are taking on a 24-hour tennis court challenge to raise some money for St Rocco's and thank them for their support. The Year 13 students intend to spend 24 hours on one court (4am–4am) at Lymm Tennis Club without leaving.

“We would love anyone to come and join us for an hour!”, say the students.

“Donate and join us on the court. Come down for an hour for a match or just some fun games. Bring friends!. No experience is needed, just your enthusiasm and support!”

If you can't join the students on court, you can still donate by [clicking here](#).

## Next steps

Here is a quick reminder of how Year 13 need to confirm their offers.

If the university offers you a place, you'll need to reply to them once you have decisions from all the universities you've applied to. Your reply by date will be listed in Track (go into your UCAS profile). There are three types of replies you can make:

- **Firm** – this would be your first choice.
- **Insurance** – this is your back-up choice if you don't meet the conditions of your firm. You can only accept an insurance choice if your firm choice is a conditional offer.
- **Decline** – you'd need to decline any other offers.

This means that of the five offers you may have, you will select one as your 'Firm' choice, one as your 'Insurance' choice and decline the other three.

For more help and support, please come to chat with a member of the Sixth Form team.
