

CAREERS FAIR

Tuesday 4th July 2023 / 5-7pm

WELCOME

We are delighted to bring you our Careers Fair for 2023. In our commitment to providing the best possible careers education, information and guidance, this event is designed to connect students with employers, provide inspiration about industry sectors, and give signposts for career pathways.

In the Sports Hall, we have exhibitors from Universities, Colleges and a wide range of employers. These include nuclear, engineering, manufacturing, construction, software, armed forces, logistics, retail, creative industries, property, healthcare, games industry, digital design, marine aerospace, defence engineering, pharmaceutical, IT, bio-medicine, childcare, facilities management, automotive, finance and accountancy. Descriptions of companies, organisations, colleges and universities that are participating can be found on pages 5-15. There are some fantastic opportunities to be discovered, from apprenticeships and work experience, to internships and year-out placements.

The programme of talks held in the Studio will provide students with information about post-16 and post-18 choices, to help them consider their next steps, whether it be A' Levels, T' Levels, apprenticeships or vocational subjects (page 3).

Please make sure you have reserved your tickets in advance, including tickets for the talks. Click on the link below or scan the QR code to visit our booking site. Admission is free.

I look forward to seeing you at the event!

Mrs Jennings

Assistant Head Teacher, Head of Sixth Form, Careers Lead

BOOK TICKETS BY [CLICKING HERE](#), OR SCAN THE QR CODE:

TIMETABLE OF TALKS

BOOK TICKETS BY [CLICKING HERE](#), OR SCAN THE QR CODE:

LYMM HIGH SCHOOL CAREERS ADVICE

We take our duty to provide students with high quality, impartial careers advice and guidance very seriously as we prepare our young people for their futures.

Careers Education, Information and Guidance is delivered through the curriculum, during tutorial times, dedicated sessions and can be accessed by all students throughout the year. Through our 'Life Programme', all year groups from 7-13 experience a series of lessons related to careers, allowing them to reflect upon their own skills and interests. In Years 9 and 11, there is plenty of additional support to help with decisions about subject choices. Sixth Form students receive a huge amount of information, advice and guidance when it comes to the next steps in their education or future career. We also use Unifrog to support Careers Education in school; this platform brings information into one comprehensive, user-friendly platform that helps students make the best choices, and submit the strongest applications. It is also used by teachers to manage progression effectively. Parents can also access the platform using a Parent Access Code, please email lhughes@lymmhigh.org.uk for this code.

Erica Draper, our dedicated independent careers adviser is in school each Tuesday. Her primary role is to hold one-to-one appointments with students, providing impartial information, advice and guidance. All students are entitled to book appointments and our adviser targets specific groups of students (Pupil Premium, SEND and those we feel may need additional support). Please visit Ms Draper at her stand in the Sports Hall to discuss careers advice. She will also be delivering a talk at 6.30pm in the Studio.
