Band Night

Allotment help

Student Services are looking for an individual to help with the Lymm High allotment as a gardening intervention session for vulnerable students. Working on the allotment provides an opportunity for students to interact with each other in an environment away from the classroom where they can make friends and learn a range of interpersonal and team skills. The sessions would run from February until October. The successful applicant would be subject to satisfactory pre-employment clearances including a Disclosure and Barring Service check (formally CRB), and remuneration is available for this post. Interested individuals are requested to contact Mrs Ball (rball@lymmhigh.org.uk).

Lymm Transport Day

We are still looking for volunteers for Transport Day on **Sunday 25th June**. The event relies on over 120 volunteers to cover everything from car parking and ticket collection to stewarding and litter picking. The volunteers vary in age from 14 years upwards and can give any amount of time from 3 hours to the full day. Those who do volunteer are given two free tickets to the event. If you are able to help, please contact pta@lymmhigh.org.uk.

Easy Fundraising

You can help us raise money for Lymm High's PTA while online shopping at no extra cost to yourselves. All you need to do is go to <https://www.easyfundraising.org.uk/> and select Lymm High School as your cause, school will then receive a percentage donation. Last year, we raised over £900 just by shopping! As always, thank you for your support.

LOWER SCHOOL

KS3 Knowledge Organisers

Year 7, 8 and 9 students have recently been issued their final Knowledge Organisers of the school year. These should continue to be used for homework, and revision at home, and should remain in students' bags to use during the school day in lessons.

As these contain all the important content that students will learn in their lessons, they also give parents an insight into what your child is studying at school.

If you would like to access digital versions, these can be found on the curriculum part of the [website here](#).

Guidance around how to use these for self-quizzing and revision can be [found here](#).

Life Programme

- **Year 7** have been working hard on the different types of discrimination students and young adults can face at school and in society. Last week they looked at discrimination due to sexuality and this week they will look at anti-bullying scenarios and how students can support each other.
- **Year 8** are also thinking about discrimination, looking at gender hiring decisions and writing newspaper articles about discrimination in society.
- **Year 9** have been thinking about unhealthy representations of gender in the media and will now move on to consider what makes a healthy lifestyle.
