19<sup>th</sup> May 2023

Dear Parent/Carer,

**Re: Year 11 last day on 23<sup>rd</sup> June 2023**

I wanted to provide an outline of the plans for the students' last day (23<sup>rd</sup> June) to give them something positive to look forward to as a reward for their continuous hard work and effort.

On Friday 23<sup>rd</sup> June, students should arrive at school and attend registration as normal for 8:25am. They should also be wearing full school uniform. It is traditional for students to want to get a school shirt signed by friends and teachers on the morning of the last day. If your son/daughter wants to do this then it is **vital they bring an additional clean shirt to school** to change into before they enter assembly.

During the first part of Period one, students will have a celebration breakfast in the Lower Hexagon/canteen where they can grab a bite to eat and a drink. They'll also have further opportunity to chat, sign their additional shirts and take photos etc during this time.

Halfway through Period one, students will make their way to the Main Hall for the Leavers' Assembly. Whilst we expect the students to be in high spirits it's still important they conduct themselves properly as it is a formal assembly. The assembly will finish at approximately 10.15am and the students should then leave school site. We ask for your support in ensuring that your child has a lift arranged for 10.15am, or that you have given them permission to walk home. If they are walking home through the community at this time, we ask that you remind them of exercising social responsibility and common courtesy.

Prom

I'd also like to remind you that the deadline for payment for the Prom is Friday 26<sup>th</sup> May.

It's really important that the students continue to maintain their high standards throughout the exam season. I would hate for any student to miss out on these celebrations due to poor behaviour. These promise to be really enjoyable and fitting celebrations to end the year. The students have worked unbelievably hard and it's been a real pleasure being their Head of Year.

Yours faithfully,

Mr T. Scott  
Head of Year 11
