

# THE SIXTH

11–15 September 2023

THIS WEEK...

WELCOME BACK!

We wish all students a very warm welcome back to Sixth Form this week.

We are really looking forward to working with you all over the coming year.

## LIFE PROGRAMME

Life Programme is on **Tuesday 12th September**.

Year 12 will focus on sex and intimacy. Year 13 will look at how to boost their resilience and motivation.

The timings of the day will change slightly. See p.6 for more information.

## IAG EVENINGS

Parent Information, Advice and Guidance evenings will be held on **Thursday 21st September**:

- Year 12, 6pm
- Year 13, 7pm

Further details will be sent soon.

## UNIFORM

from Monday, as the weather is forecast to be much cooler, students are to wear their usual Sixth Form uniform.

## KEY DATES

Please [click here](#) to view the Assessment calendar, which includes key dates for the year ahead.

## ENRICHMENT FAIR

The enrichment fair will be held the week commencing **18th September**. Year 12 and 13 can sign up for clubs and societies that interest them. These activities count towards their Gold/Silver/Bronze Future Leaders awards.

## EXAM TIMETABLE

The provisional exam timetable for summer 2024 can be [found here](#) – please note this is provisional and may be subject to change. Please do NOT book holidays around these dates just yet.

## Exam Success

**Our A' Level results this summer were the best set of post-16 results the school has ever had!** Nearly all students have secured places at their preferred universities, including very high numbers heading off to the most prestigious institutions, including Oxbridge, and onto the most competitive courses, such as medicine.

Mr Williams, Headteacher, said: "The impact of Covid on national results over the past three years means that we need to be a little careful making direct comparisons but, taking into account that we have returned to pre-Covid patterns across England, the A' level results are the best that Lymm High School has ever had."

Given that outcomes in the Sixth Form have been consistently excellent for some years now, this really is quite an achievement, and everyone involved deserves huge congratulations!

*Tom Fowler is off to Nottingham to study Mechanical Engineering after getting A, A, A, A in Maths, Biology, Chemistry and Physics.*

*Lottie Price plans to study Medicine at Liverpool after receiving A\*, A, A.*

*Oscar Bode-Hey is off to study Maths at the University of Nottingham after getting A\*, A, A, B.*

## Digital journalism work experience

During the last half-term, Year 12 students undertook work experience at various workplaces across the North West. Florin Fitzgerald spent a week in July with Archives+ in Manchester as a Digital Journalist (Blogger).

Archives+ has created an archive centre of excellence that brings together statutory, university and voluntary organisations to provide a holistic range of archive and heritage services from one location. Archives+ raises awareness of, and provides easy access to, histories for the broadest possible audiences.

Florin's work experience involved researching through collections and learning about the rich history of Manchester. They increased their digital journalist skills and helped bring the archives to life through digitisation. They were also able to show off their creativity by writing a blog, which has now been published. You can read Florin's blog on *Manchester's Early Role as a Hub for Campaigning for LGBTQ+ Rights* by [clicking here](#).

"It was a really great experience and opportunity", said Florin. "I would recommend it to some Year 12s."

## PwC online careers events

Aimed at students in Years 10–13, the Virtual Classroom sessions are a series of events providing students and parents a true insight into PwC. These virtual sessions are a great opportunity to learn about who PwC are, what they do, available opportunities, and ask questions to its recruiters and recent Flying Start joiners.

Whether students want to pursue a career in technology, accounting or business on one of the Flying Start programmes, or join PwC full time as a school leaver, students will have the opportunity to gain top tips as well as hear from current and past students and apprentices.

## Interested in Army careers?

***Warrington & Vale Royal College, Thursday 19th October, 6–9pm***

This Army Engagement event provides students with a chance to learn more about the opportunities that exist within the Army. The organisation has more than 200 trades on offer and has been voted the Top Apprenticeship employer for the third year running.

Colonel D.P. Doherty, Commander of the Army in this region, and host of this event, aims to promote greater awareness and understanding of the Army.

The format for the evening is:

- 6.30–7pm: Reception
- 7–7.45pm: Presentation
- 7.45–8.15pm: Questions
- 8.15–9pm: Refreshments

If you wish to be part of this opportunity to not only engage directly with the Army, but also network with local community leaders, then please [register here](#).

You can find further information by visiting the [Army Engagement website](#).

To view the latest online University events, [click here](#).

These are listed in chronological order and include Open Days (in-person and virtual), online chats and webinars. Students can browse these events and engage with higher education from the comfort of their mobile, tablet or computer.
