LYMM
HIGH SCHOOL

Our Expectations

LYMM HIGH SIXTH FORM
CODE OF CONDUCT

ATTENDANCE
Students to attend all timetabled classes, morning tutorials, supervised study periods and Life programme sessions, arriving punctually, and to notify us of any absence.

BEHAVIOUR
Students to always act as polite and mature role models within the school, showing respect to others and school property and to wear the appropriate business dress.

COMMITMENT
Students to participate in all aspects of school life, to do their best to achieve their full potential and take responsibility for meeting deadlines for the submission of their work.

MINDSET

The following are the skills that are essential for success at Sixth Form

Activate Windows
Go to Settings to activate

The poster features a light beige background with white line-art icons: a paper airplane, a pencil, a ruler and protractor, a lightbulb in a thought bubble, a brain, and a DNA helix. The word 'MINDSET' is written in a large, white, hand-drawn font at the bottom left. A dark blue circular graphic is at the bottom right, containing text about essential skills for Sixth Form.

LYMM
HIGH SCHOOL

Attendance

All students start at 8:25am –students go straight to tutor time, this is compulsory.

Absences – parents please inform us by 8am. 01925 755458 ext 145 or through SchoolComms.

No holidays during term time.

Medical appointments – inform us in advance, evidence will be requested.

Break time – students to remain on site.

13:15pm finish – only if there is no lesson / SSP, sign out at 6th form student services. This privilege remains under review.

Driving lessons – can only be taken when students have finished for the day, 13:15pm onwards.

Behaviour

- Ultimate role models.
- Uniform.
- Use of Class Charts – positive and negative behaviour points. Students will be referred to 'Office hours' – Tuesday / Thursday / Friday 3:10-4pm where there are concerns regarding work ethic / punctuality etc.
- Code of Conduct Stages.

Commitment - Managing workload

- Satchel One – homework is set through this.
- Students have approximately 13 hrs per week of ‘non-contact’ time. At least 4 of these will be supervised study in the Upper Hex.
- Enrichment Electives
- Paid work – maximum of 8 hours per week, ideally only one day per week (weekend).
- **Studies must take priority.**

LYMM
HIGH SCHOOL

Our mantra
(and the secret
to our brilliant results)

Each student should work a **40-hour week**

Here's the maths

3 subjects x 4 hrs per week = 12 hours (lesson time)

3 subjects x 8 hrs of independent work = 24 hours (use your SSP's)

Tutor Time / Personal development = 2 hours

Enrichment = 2 hours week

Total = 40 hours

Work hard, play hard!

LYMM
HIGH SCHOOL

Communication

LYMM
HIGH SCHOOL

Communication

- Satchel One – homework is set through this.
- ParentPay – to top up your child’s account.
- SchoolComms – all email / text messages.

Futures Support Mr Mullin

The UCAS Process

- Online application process for UK universities
- Students have 5 choices – they can apply to multiple courses at the same university.
- A range of choices with a variety of entry requirements is essential (eventually they will be asked for a ‘firm’ choice and an ‘insurance’ choice – these should have different grade requirements)
- Students should have
 - ✓ Begun their online application
 - ✓ Have a draft of their personal statement
 - ✓ Chosen a referee and met with them to provide support with their personal statement

Choosing the right course

- What does the course cover?
- Courses with the same title may be very different at different universities
- Look carefully at the core course content, and the range of optional studies/modules available.
- Which modules are the most interesting and relevant to your career aspirations?
- See if the course or university/college offers any internship, placement, or study abroad opportunities.
- How is the course taught – structured teaching, or more independent research? How many lectures are there, and how much group work will be done in seminars?
- How is the course assessed?

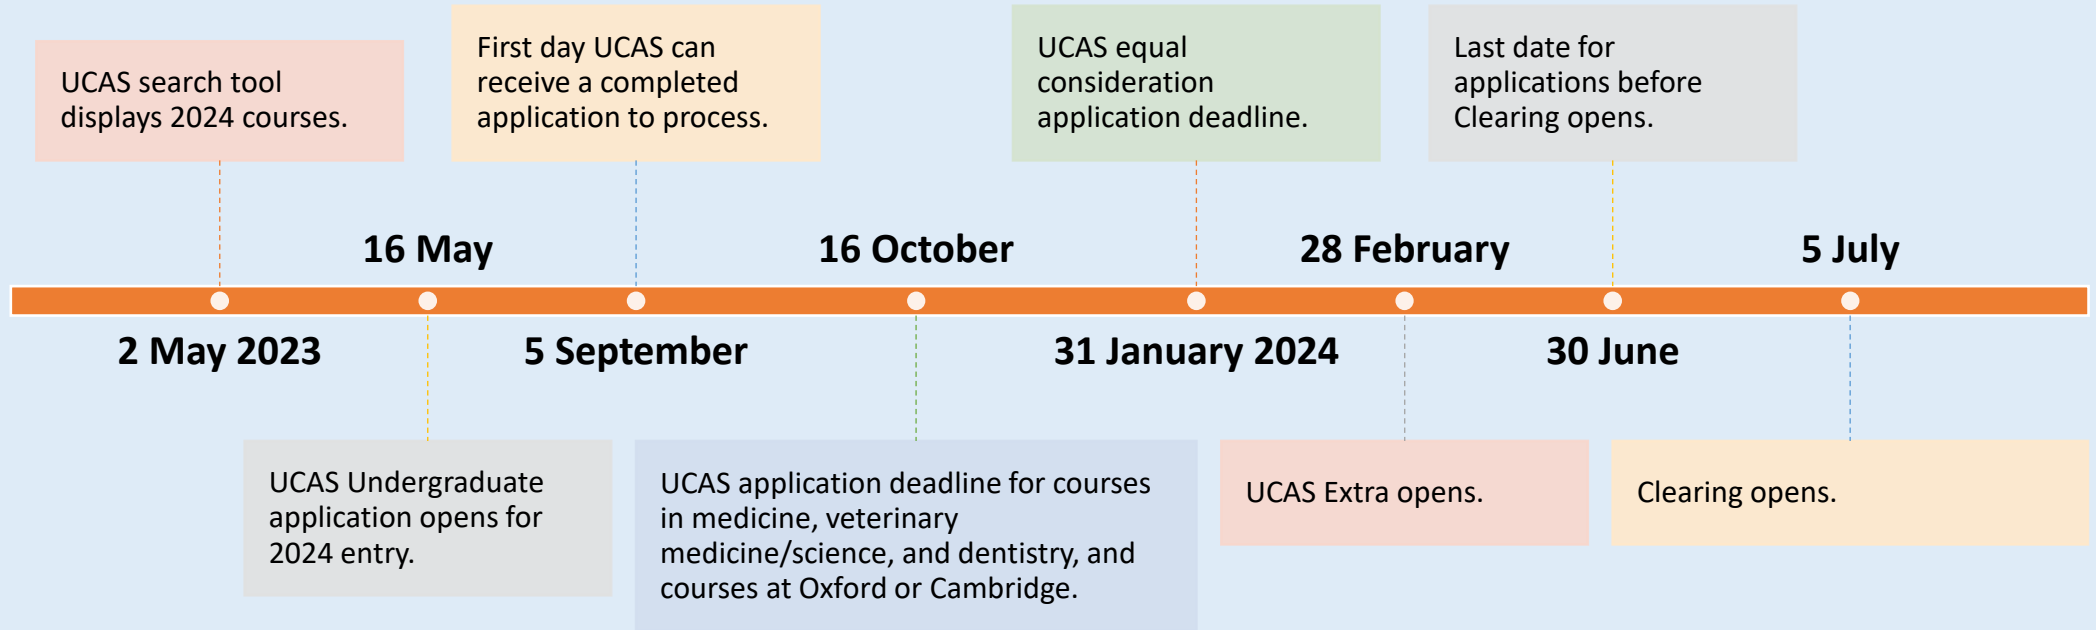

Choosing the right course

Students should now have in mind which course they want study. Whether this be a Single Honours degree (Maths or Maths with Physics etc.) or a Joint Honours degree (Maths and French etc.)

Look carefully at the types of degree.

- Typical 3-year “Bachelor” degree (BA, BSc BEng etc)
- 4-year Undergraduate Masters degree (MMath, MPhys, MChem or MEng etc).
- It is important to note however, that the Undergraduate Masters degrees **SOMETIMES** have higher entry requirements!
- Consider placement years with your degree in your chosen field.
- Finally, one of their choices should contain a “worst-case scenario” with entry requirements that are lower than the other four choices.

Internal deadlines for UCAS applications:

Monday 3rd October – Early entry applicants

Monday 7th November – All other applicants

Predicted grades and references

- Always optimistic (taking everything into account and not just mock grades).
- We must be realistic.
- Students will see their predicted grades very soon.
- Students sign off their application before it is sent to UCAS.
- Honest, transparent process.

LYMM
HIGH SCHOOL

Apprenticeship / Employment Support

- CV workshops and Employability skills session.
- Interview / Assessment centre practice.
- Opportunities on The Sixth, including the apprenticeships vacancies advertised each week across Warrington.
