Dear Parents/Carers,

Re: Year 8 History trip – International Slavery Museum, Liverpool.

We would like to invite students to sign up for our trip to the International Slavery Museum in Liverpool. This trip will run on the 16th April 2024 with one group of students and then again on the 23rd April 2024 with a second group; students who are invited onto the trip will be allocated one of these two dates to attend. The students will be given a guided tour of the museum and take part in a hands-on workshop using museum objects. This will give students the opportunity to boost their knowledge of fundamental aspects of transatlantic slavery, Liverpool's involvement in the trade, and its impact on the lives of those involved. Students undertaking the trip will be encouraged to get hands-on with museum objects and use these unique resources to explore the impact of slavery on those involved, including enslaved Africans and people in Liverpool.

Activities throughout the day include: a guided tour by a member of museum staff, a chance for students to explore the museum's exhibitions at their own pace, which includes sections on African History, transatlantic slavery and its ongoing social and cultural legacy, and an hour-long workshop in which students will work in groups and be given access to handle unique, museum objects, ask questions and reflect on the experiences of people involved in transatlantic slavery.

We hope that students will develop their personal skills, be inspired by a passion for History as a subject, build friendships and most importantly have fun! The course will be led by Lymm High School teachers as well as staff from the museum who are trained in delivering learning experiences that are appropriate for Year 8 students.
