

THE SIXTH

18–21 December 2023

“ THIS WEEK...

IT'S CHRISTMAS!

”

We break up for Christmas on **Thursday 21st December** at 12.15pm. Students are reminded that there are no buses on this day and they must make alternative arrangements to get home. Students return to school on **Friday 5th January**. [Click here](#) for the key dates calendar.

EVENTS THIS WEEK

We have a number of Christmas events including staff karaoke on **Monday**, and Christmas Jumper day & a singalong party on **Tuesday**. Year 12 and 13 students will attend our Christmas assembly in Church on Thursday during Period 1.

ATTENDANCE

Students should aim for a minimum of 95% attendance to school. Students and parents are encouraged to check their attendance percentage on Class Charts.

Every day really does count.

MAKATON CLASS

The final session is on **Wednesday 20th December**. Please come along to learn Christmas Carols and songs.

DEBATE MATE

This will also finish next week. If more students are interested we can run this again next term. Please speak to Miss Dixon to express your interest.

CAREERS EDUCATION

See our [recent school newsletter](#) for a round-up of the careers events this term. A reminder that parents do have an access code for Unifrog. We encourage you all to have a look at this really useful platform.

PROGRESS REPORTS

Year 12 and Year 13 progress reports will be sent to parents when we return to school in the New Year. Please look out for these.

NEWS

Model students

On **Saturday 9th December**, Miss Dixon and Mrs Jennings took seven Year 12 students out to Manchester Grammar School to attend the Model United Nations competition. The students thoroughly enjoyed this experience.

We look forward to being able to attend others in the future.

Year 13 Solicitor Degree Apprenticeships

Tuesday 30th January, 4.30–6pm

[Causeway Education](#) are working with law firm Wedlake Bell to host an application masterclass for Year 13 students interested in applying to solicitor degree apprenticeships. This information will be useful for students considering applying to any firms, although there will be colleagues from Wedlake Bell able to answer questions specific to their application process. The webinar will show students the steps in an apprenticeship application, the reason why certain methods are used (such as assessment centres) and tips and tricks to prepare for this process. The masterclass will also look at key themes, such as showing an understanding of a firm, the apprenticeship route, and developing commercial awareness.

Students can sign up for the webinar by [clicking here](#).

Wedlake Bell offers both the solicitor apprentice and trainee solicitor routes to qualification. Trainee Solicitors are recruited either through its Summer Vacation Scheme or direct Training Contract applications. Eight trainees are recruited a year.

For further information about Wedlake Bell, [click here](#).

NUCLEAR CAREERS EVENING

Join us at our highly anticipated Nuclear Careers Evening!

This event presents an incredible opportunity for job seekers to meet with leading nuclear professionals under one roof. We welcome those from all backgrounds who are eager to redefine their careers in a thriving industry.

EVENT HIGHLIGHTS

- Discover the imperative role of the nuclear sector in the global clean energy mix.
- Explore a variety of roles from nuclear engineering, to finance to project management.
- Learn more about training programmes to enhance your qualifications.
- Get CV & interview advice from experienced recruiters.

No physics degree? No problem! We're looking for enthusiasm and go-getters, not just scientific minds. We need project managers, engineers, commercial specialists, and more. The nuclear industry is growing, and we're confident that you have the skills that can play a pivotal role in shaping the future of our sector.

Business Apprenticeships at EY

EY is open for applications to its 2024 apprenticeship opportunities.

If you are curious, analytical and could help businesses solve complex problems? An EY apprenticeship could be for you! EY is a professional services organisation that helps companies make better business, finance and technology decisions. It employs over 365,000 talented people spanning the globe in more than 150 countries.

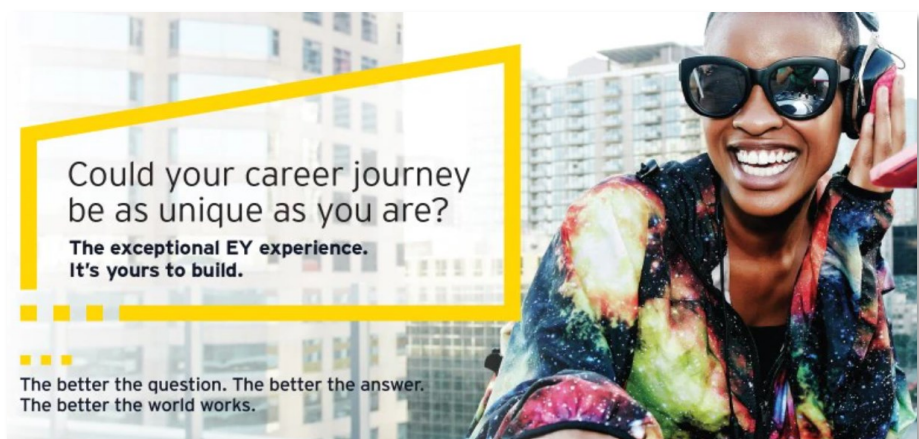

Joining in either Assurance, Strategy and Transactions or Tax at EY, these apprenticeships are a great way to get on-the-job experience and develop skills for life. By the end of the 4-year paid programme, you'll have gained an industry-recognised qualification, a host of transferable skills, lots of practical experience and a network of coaches and mentors to help you continue to progress within EY.

- Get to know EY's clients, their businesses, and how they work
- Deliver real client work and solve complex problems
- Work with colleagues nationally and internationally
- Work towards a Level 7 Apprenticeship qualification
- Do the same qualifications as EY graduates. You could even progress faster than any university-going peers.

EY gives its apprentices the knowledge, skills, and opportunity to progress their careers while receiving dedicated support every step of the way. Current opportunities are [listed here](#).

For more insight into life at EY, why not find or ask a question to EY's current employees? Discover more within EY's

[Career Heights zone of EY's Adventure Awaits platform.](#)

CAREERS

Our [careers website](#) includes a [calendar of events](#), [labour market information](#) and a link to [Unifrog](#).

In Cheshire and Warrington, the industry sectors that are growing include life science, digital & technology, logistics & distribution, energy, zero carbon and clean growth. Find out more [here](#).

Key sectors with significant levels of employment are: chemicals, manufacturing & engineering, finance & business services, and health & social care.
