SPOTLIGHT ON APPRENTICESHIP PROGRAMMES

We introduce you to some of our apprentices, explore what an apprenticeship is, what its like to undertake one with Barratt Developments

TRADE APPRENTICESHIP PROGRAMME

NAME: *Liam* AGE: *18*

JOB TITLE: *Apprentice Carpenter*

FROM: *Gateshead, Newcastle*

"I really enjoy working on site, learning the trade and creating something important for the customer. Working on site and at college can be challenging but rewarding, you build relationships with all the other trades, your mentor, site manager and other apprentices at college. The independence has built my confidence while being able to start mastering carpentry and joinery. The opportunity and support that Barratt provide is second to none and I'm proud to work here."

DEGREE APPRENTICESHIP PROGRAMME

NAME: *Eloise* AGE: *18*

JOB TITLE: *Apprentice Carpenter*

FROM: *Gateshead, Newcastle*

ASPIRE GRADUATE PROGRAMME

NAME: *Chanella* AGE: *24*

JOB TITLE: *Trainee Assistant Site Manager*

FROM: *Southampton*

I studied Law at University but always had an interest in the house building industry. I have recently been promoted to the role of Assistant Site Manager. The programme has taught me so much and has excelled me into the job I'm in now. My site team has gone on to earn a five-star rating. I am so pleased to be a respected member of such a high performing team.

SUSTAINABILITY

POETRY & ANIMATION COMPETITION

See your poems about sustainability come to life!

The best six poems will be selected by a panel of judges. These writers will be awarded £100 in Amazon vouchers and their poem will go on to be animated by students from the School of Arts, Media and Creative Technology at The University of Salford. They will then be shown as part of an Animation Festival where the children, their families, students, teachers, lecturers, and industry partners will be invited. The overall winner will be awarded a £500 prize.

The deadline for submissions will be midnight on Wed 22 Jan 2024.
