## FOOTBALL FAREWELLS

Year 13 players in our First XI boys football team played their last ever school game this week against Manchester Grammar school. Although they didn't get the win they were hoping for (drew 3–3) they should be really pleased with their performance.

Most of the boys have represented the school football team since Year 7 and have made a huge contribution. "They are a fantastic bunch and role models to the younger students", said Mr Hampton. "I hope that they all continue to play football for as long as possible."
