

# THE SIXTH

20–24 May 2024

“

**THIS WEEK...**

FAREWELL AND GOOD  
LUCK TO OUR YR13

STUDENTS!

”

We wish all of our Year 13 students the very best of luck for their exams as they begin their official study leave on **Monday 20th May**. Students are very welcome to continue to attend school as normal. See page 5 for further information.

## LEAVERS' DAY

**Friday 24th May** is the Year 13 Celebration Day. From 12pm onwards, students are invited to the Lower Hex for lunch (on us!), shirt signing and an ice cream treat. Following the celebration assembly (12.30–1.15pm) students will depart school.

## YEAR 12 MOCK EXAMS

[Click here](#) for information about the mock exam period and study leave. Students will receive individual timetables shortly. Please note, whilst the vast majority of students will be on study leave from **Monday 17th – Friday 21st June**, some will be required to attend lessons as normal.

## YEAR 12 FUTURES

A reminder we have Sheffield University visiting us on **Wednesday 22nd May** at 1.30pm to deliver a talk on making competitive applications. All students are to attend please.

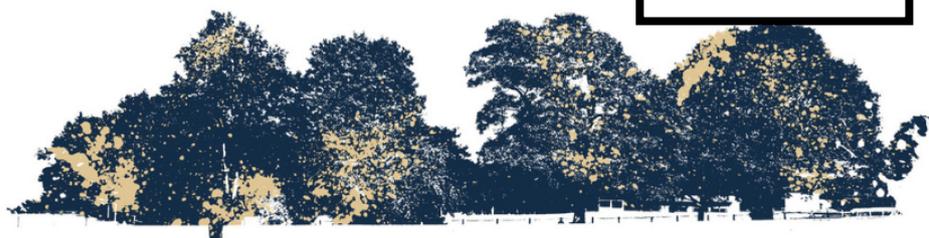

## FOOTIE FINAL

Good luck to Year 12 Lymm Rovers Spartans who are in the U18 Cup Final against Ashton on Mersey on **Sunday 19th May**.

## National Radio Award Nomination

Well done to Lizzie Nelson and her team at 'Kids Live at 5' for their nomination for an ARIAS National Radio Award from The Radio Academy. The Cheshire's Mix56 programme was nominated in The Grassroots Category.

Year 12 Lizzie is the presenter of the hour-long weekly show, which aims to inspire, educate, entertain and involve local children with exciting topics and themes. In addition to being available online and on digital radio, the show is now played within local schools and Warrington hospital. It is available as listen again on the [radio station's website](#).

"The nomination is huge for Cheshire's Mix56 to be up there with the likes of Radio 1 and Absolute Radio", said Station Director and presenter Paul Smith.

The awards were presented on **Tuesday 7th May** in London at the Drury Lane Theatre.

Sadly, the show didn't win the award, but just getting a nomination was a huge achievement.

## Move for your mental health

For Mental Health Awareness Week, we encouraged students to move their bodies to look after their minds. On **Friday 17th May**, Mrs Hill's Form challenged Mr Mason's to a basketball game.

What a great way to start the day!

# REMINDERS

DONT FORGET TO:

## Student finance

Year 13 students are reminded they should have completed their student finance applications. If you need a reminder, please access 'Announcements' on Class Charts and search for 'Student Finance,' where you can find the recording from the parent session last term.

## What is it like to study maths at university?

Thursday 30th May, 7pm

Friday 31st May, 5.30pm

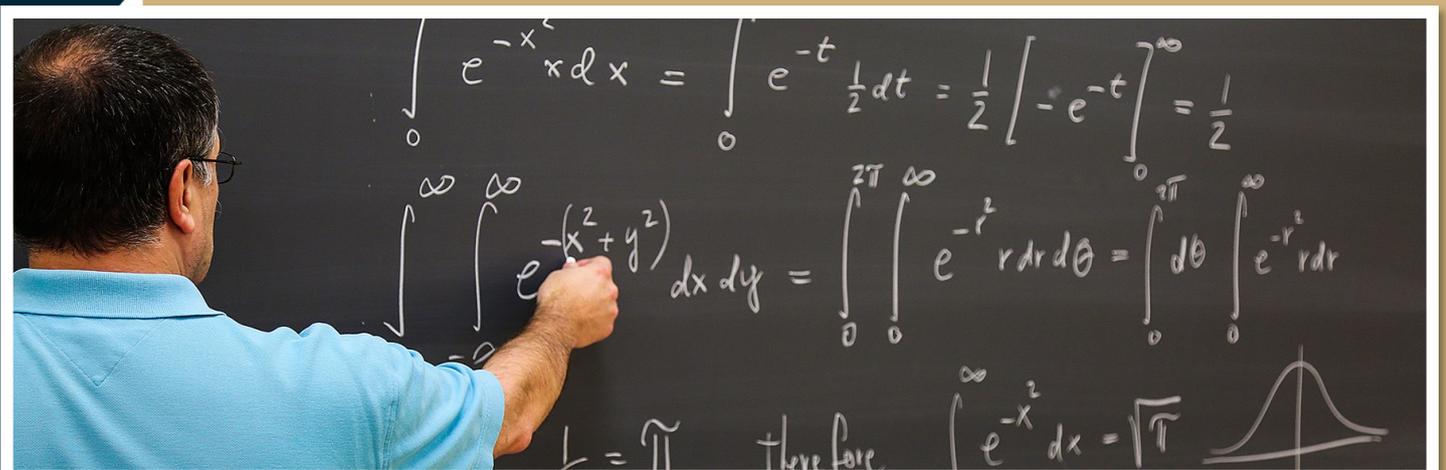

If you have your sights set on a maths-based degree, or are curious about what university maths entails, then this webinar is for you!

Join Dr Simon Singh (bestselling author of *Fermat's Last Theorem*) and Dr Junaid Mubeen (*Countdown* series winner) as they welcome a panel of students and lecturers from Manchester University to discuss all sorts of things about studying maths at university.

- What does a typical maths lecture look like?
- How much homework is there?
- Do you get to discover new maths?

Get answers to these questions, and ask your own questions, by joining one of these two webinars.

To join, [click here](#) when the time comes. No registration is needed but if you create a (free) Parallel account and log-in, you will be able to interact via chat and polls.

## NHS Healthcare Careers virtual work experience

This is an opportunity to follow multiple patients and showcases how many different healthcare professionals are involved in a patient's care. It will give students a chance to see them in action in various settings from the ward to the community. It is also a fantastic opportunity to see them work together in a multidisciplinary team. The next virtual work experience day is focusing on Paediatric Pathways on **Sunday 2nd June, 8.30–5pm**.

The day will follow patient Samantha from her birth, to her diagnosis of mild cerebral palsy at 2 years old, and then to her early teens where the team work to help her keep her independence through treatments, medication and support equipment. Teaching will cover paediatric medicine, medical conditions, diagnostic tools used on a daily basis, and the skills that the Allied Healthcare Team need to help make a difference and give the best care to their patients.

To register, [click here](#).

Once registered, students will receive access to their virtual work experience portals. Every complete session comes with a Work Experience Certificate, and for those who complete the full 6-month programme, there's a Highly Commended Reference, ideal for apprenticeship and UCAS applications. Booking early is recommended to gain as much out of this programme as possible. Places are £10 a session to cover administrative and technological costs, or £50 for the full 6 months. For any enquiries, [click here](#).
