

CAREERS FAIR

LYMM
HIGH SCHOOL

5 - 7pm Tuesday 9th July 2024

WELCOME

We are delighted to bring you our Careers Fair for 2024. In our commitment to providing the best possible careers education, information and guidance, this event is designed to help students explore their Post 16 and Post 18 options, connect them with employers, provide inspiration about industry sectors, and give signposts for career pathways.

In the exhibition hall, we have Universities, Colleges and a wide range of employers. Employers include those from various industries and sectors including nuclear, engineering, infrastructure, technology, architecture, surveyors, legal, energy, armed forces, transport and logistics and more. Descriptions of companies, organisations, colleges and universities that are participating can be found on the following pages. There are some fantastic opportunities to be discovered, from apprenticeships and work experience to college and degree courses. Use this programme to plan your visit.

The programme of talks will help students consider their next steps, whether it be A' Levels, T' Levels, apprenticeships or vocational subjects.

Please make sure you have reserved your tickets in advance, including tickets for the talks. Click on the link below or scan the QR code to visit our booking site. Admission is free.

I look forward to seeing you at the event!

Mrs Jennings
Assistant Head Teacher, Head of Sixth Form, Careers Lead

[BOOK TICKETS BY CLICKING HERE, OR SCAN THE QR CODE:](#)

TIMETABLE OF TALKS

[BOOK TICKETS BY CLICKING HERE, OR SCAN THE QR CODE:](#)

LYMM HIGH SCHOOL CAREERS ADVICE

We take our duty to provide students with high quality, impartial careers advice and guidance very seriously as we prepare our young people for their futures.

Careers Education, Information and Guidance is delivered through the curriculum, during tutorial times, dedicated sessions and can be accessed by all students throughout the year. Through our 'Life Programme', all year groups from 7-13 experience a series of lessons related to careers, allowing them to reflect upon their own skills and interests. In Years 9 and 11, there is plenty of additional support to help with decisions about subject choices. Sixth Form students receive a huge amount of information, advice and guidance when it comes to the next steps in their education or future career. We also use Unifrog to support Careers Education in school; this platform brings information into one comprehensive, user-friendly platform that helps students make the best choices, and submit the strongest applications. It is also used by teachers to manage progression effectively. Parents can also access the platform using a Parent Access Code, please email lhughes@lymmhigh.org.uk for this code.

Erica Draper, our dedicated independent careers adviser is in school each Tuesday. Her primary role is to hold one-to-one appointments with students, providing impartial information, advice and guidance. All students are entitled to book appointments and our adviser targets specific groups of students (Pupil Premium, SEND and those we feel may need additional support).

Please visit Ms Draper at her stand in the Exhibition Hall to discuss careers advice, work experience, study options, etc. She will also be delivering a talk at 6.30pm.
