

THE SIXTH

9–13 December 2024

“ THIS WEEK... ”

FIRST
IMPRESSIONS

This week we will be exploring the importance of first impressions and how to make a positive first impression for any new relationship (both professional and personal).

CHRISTMAS TREE COMP

Year 12 and 13 will both be allocated a Christmas tree in the Lower Hex. Students have between **Monday 9th** and **Thursday 12th December** (11.15am) to decorate their tree ready for the Christmas lunch later that day. The year group who wins the best dressed, most Christmassy, tree will have an option of non-uniform on **Friday 13th December**.

Y13 LIFE PROGRAMME

On **Tuesday 10th December**, Year 13's Life Programme will be split as follows:

- 13AH, 13DL, 13MH, 13ML, 13TL – Mock interviews, Upper Hex
- 13TH, 13WH, 13WL, 13DH, 13AL – CV workshop, Form room

CASH ONLY

£39 will feed three malnourished children for a week. Help us to raise funds for a worthy cause.

NEWS

Uni of Liverpool trip

On **Wednesday 4th December**, Year 12 students visited the University of Liverpool.

First stop was a presentation from the Student Recruitment Officer who outlined what to consider when choosing where to study and highlighted the benefits of Liver-

pool. This was followed by a campus tour from one of the current university students. After lunch, Year 12 had a taste of an academic lecture, which focussed on the transatlantic slave trade from a Historical and Legal perspective. It was a thought-provoking lecture, which the students listened attentively to and engaged with.

This snapshot of university life will give students lots to think about as they turn their attentions to post-18 options.

NEWS

Road safety event

On Friday 6th December, the fire brigade visited us to talk to students about road safety.

The Lymm Fire Station crew discussed all aspects of road safety, including the fatal 5 message, importance of tyre safety and vehicle checks.

The Fatal 5 are five main causes of serious injuries and deaths on the region's roads:

- Careless driving
- Drink/drug driving
- Not wearing a seatbelt
- Distracted
- Speeding

Students engaged with the crew, playing interactive games and wearing special effects glasses to simulate slow reaction speeds when drinking.

All of the information shared with the students can be found through the links below:

	Economics (B week)	1.15–2pm	S106
	Geography NEA advice <i>(until Friday 13th December)</i>	3.20–4.15pm	N105

GIVE SOMETHING BACK

Motivational Mo bro's

The Sixth Form and staff team have managed to raise a huge £1455 for the Movember men's health charity, which raises awareness of testicular cancer, prostate cancer and men's suicide.

Mr Hawker-Green initially set the fundraising target at £500. He thanked the staff taking part (Mr O'Flynn, Mr Johnson, Mr Dobson, Mr Broadhurst, Mr Barrett and Mr Starkey), saying: "Honestly cannot thank you all enough for taking part in this – it means so much to me personally and so many of the young men in our school will appreciate you joining in".

Solicitor Apprenticeship & Law open evening

Tuesday 10th December, 5–6pm (virtual)

Are you considering a career in law? At this exclusive virtual open evening with Mishcon de Reya, you'll gain invaluable insights into their Solicitor Apprenticeship Programme and discover how you can start your journey to becoming a qualified solicitor. This event is designed to make that process easier by giving you a clear picture of what Mishcon de Reya offers through their 6-year Solicitor Apprenticeship programme, from apprentice to fully qualified solicitor.

The evening will cover life at Mishcon de Reya and Industry Insights. You will get to hear real experiences from current solicitor apprentices about their journey and what it's like to train at Mishcon de Reya. In addition students will benefit from application advice – tips and insights from the Early Careers Team about what they look for in candidates and how to stand out in your application.

Mishcon de Reya is one of the UK's most prestigious law firms, renowned for its innovative approach to complex legal challenges and its commitment to developing the next generation of legal talent. With expertise spanning corporate, employment, real estate, dispute resolution and private client services, the firm works with an array of high-profile clients from across the globe.

Virtual work experience with the Highways Agency

Wednesday 11th December, 5pm (on Teams)

Digdata is thrilled to announce this free virtual work experience event for Year 12 and 13 students. The career challenge is to advise National Highways on which parts of the road network to prioritise for Wi-Fi connectivity and why. The challenge is designed to develop key employability skills (such as problem solving, data literacy, storytelling and presentation) and will involve:

- A 45-minute briefing with the National Highways team
- The opportunity to complete a career challenge at their own pace
- Certification upon completion

Students will be given information around the following factors to consider when making their decision.

- **Traffic:** What roads are the busiest? How many people would benefit from Wi-Fi connectivity?
- **Length of Journey:** Consider what we know about the duration of people's journeys and how this might affect their use of Wi-Fi.
- **Road Users:** What data might help demonstrate user demand for Wi-Fi?
- **Installation:** How does the difficulty of installing Wi-Fi differ across the road network?

For further information, and to register to attend, [click here](#).

To view the latest online University events, [click here](#).

These are listed in chronological order and include Open Days (in-person and virtual), online chats and webinars. Students can browse these events and engage with higher education from the comfort of their mobile, tablet or computer.
