Dear Year 13 Students,

Re: Yr13 Leavers Arrangements

I am writing to confirm arrangements for Year 13 students as you near the end of your studies and your time at Lymm Sixth Form. I know many of you are now ready to take that next step and as sad as that may make us, we really are looking forward to giving you the send-off you deserve! I am therefore delighted to confirm information relating to the external examinations along with the celebrations we are planning for you.

A Level and BTEC Exams

External examinations are almost upon us, if you wish to see an overview of the dates of these you can find these [here](#). Students will be issued with their individual timetables in due course, it is essential you check these carefully, taking note of you seat number, exam venue and the start time. I know many students find it useful to also have these displayed at home somewhere visible too.

Easter School and Intervention Timetable

A reminder of the continuing intervention timetable can be found by [clicking here](#). During the Easter holidays we will also be running some revision subject sessions and opening the library for students to revise. [Click here](#) to view the Easter School schedule, please note that you **must** book a place if you wish to study in the library by [clicking here](#).

Study Leave

Phase one of study leave will begin on w/c Monday 12th May. Students must continue to attend all lessons, including form and supervised study up to Friday 17th May unless you have a morning exam, you can take the previous afternoon off (leave at lunch) or if you have an afternoon exam, you have permission to take the morning off of the exam. **Phase 2** of study leave will begin on the 19th of May and will be full study leave for all. Please note that the sixth form will remain open for study purposes and teachers will be available during lesson time to support you. We feel that you are well supported in school, subject staff, form tutors and the Sixth Form team are always on hand to support should you need it. If you are in any way concerned about your study and revision, please speak with a member of the Sixth Form team as soon as possible so that we can support you.
