Dear Students and Parents,

TEFL Course

I am delighted to announce that we will be hosting a Teaching English as a Foreign Language (TEFL) course at school, in association with UK-TEFL, one of the leading UK providers. The intensive two-day course will run on:

Tuesday 15th July

Wednesday 16th July

What is TEFL?

TEFL stands for Teaching English as a Foreign Language and is a popular career path for those looking to teach English in the UK or abroad. EFL teachers can be native or non-native English speakers and do not need to have existing teaching experience or qualifications. You could be teaching in schools, universities, businesses, Non-Governmental Organisations (NGO) or even teaching privately. If you are aged 16 or over, with a good level of English and plenty of enthusiasm, you have all you need to enrol!

Why TEFL?

TEFL offers anyone the chance to travel and see the world, gain new experiences, and get paid for it. You can also use the UK-TEFL certificate to teach EFL in the UK through private tuition, work on government literacy schemes or why not become a mentor at your local college or university. For those wishing to further their education at university, the certificate and skills gained from the course can also set students apart when it comes to writing UCAS Personal Statements.

Some of the benefits:

- Support your UCAS and PGCE applications
- Teach English across the world and travel whilst earning money
- Gain career-related skills, such as teamwork and presentation
- More volunteering opportunities
- Short/long term work

Further details can be found on the UK-TEFL website www.uk-tefl.com and by emailing info@uk-tefl.com The cost will be £190, payable on ParentPay. This includes a TQUK endorsed certificate and Absolute TEFL manual.

If you wish to enrol on this course, please complete payment and consent information before Tuesday 9th June.

Yours sincerely,

Joanna Dixon, Assistant Head of Sixth Form
