**Preloved school shoe collection**

We would like to support the Warrington School Uniform Network by collecting any preloved school shoes that your child has grown out of. The Warrington School Uniform Network will then make your donations available to parents across Warrington who might be in need of this support. Many thanks in advance for your generosity.

**Support for families in crisis**

For families experiencing extreme hardship, the following support networks can help:

- Trussell's Help Through Hardship can triage people in need and give support as well as foodbank vouchers over the phone. Call 0808 208 2138, which is a free number, Monday to Friday (9–5pm).

### Head of Year 8 and Pastoral Manager

We are delighted to announce that from September, Mr Barnett will be taking on the role of Head of Year 8 and Mrs Purslow will be the Pastoral Manager. Please [click here](#) to read the full letter sent home.

### Summer Key Stage 3 Exams

Our Year 7, 8 and 9 students are now sitting their summer exams in English, Maths, Science, Humanities and Languages until **Friday 20th June**. The exams will assess students' knowledge and understanding of the content they have covered this academic year in these subjects. An exam timetable for each year group can be [accessed here](#). The content to be tested in these exams can be found in this [KS3 Revision Guide](#).

### Life Programme

Our next extended Life Programme is on **Thursday 26th June**. Key Stage 3 students will study the following topics:

- **Year 7:** Having spent time looking at the importance of Bank accounts and making safe decisions with regards to money, the next session for Year 7 will explore the links between employment and money. Students will explore the different ways people are paid and look at how different jobs and careers pay differently.
- **Year 8:** Last session Year 8 explored 'group think' and how we all play a part in challenging discrimination. For their next session, students will focus on gender discrimination specifically, and how discrimination, prejudice and bias can influence our choices.
- **Year 9:** Students have spent two sessions looking at how the democratic process works in this country. They have looked at different ways voting systems work and the benefits and challenges of them. The upcoming session looks at extremism and how different political views can become extreme; and where we draw the line between a political opinion, an act of protest/free speech and an extremist view. As part of this they do watch an interview with a member of National Action (a Far Right group) to stimulate discussion about extremist views.

### Year 11 Study Leave

It is the final week of GCSE exams next week. Our Year 11 students have been nothing short of exceptional in their conduct, attitude and resilience. We are incredibly proud of them and cannot wait to celebrate with them at Prom at the end of the month. Please [click here](#) to read the letter sent home about the final revision boosters and warm-up sessions available next week.

### Year 10 mock interviews

We are looking for volunteers to participate in mock interviews with our Year 10 students on **Tuesday 8th July** (9.45–12.15pm). If you have previous experience in recruitment or working with young people and would like to help run 1-to-1 mock interview sessions, please email Miss Williams (NWilliams@lymmhigh.org.uk).

### Year 10 Life Programme

Our next extended Life Programme is on **Thursday 26th June**. Year 10's next session follows on from the Human Rights session last time to look at how we challenge and address issues of extremism in society. They will work through some scenarios that will help develop an understanding of the challenges in addressing extremism; and look at acts of legitimate protest and acts of extremism. We also explore ways of reporting extremist content.
