

Summer 2025 Results Day Information and Guidance

If you're unhappy about an exam result, we can ask for a clerical re-check or review of marking, or a copy of your marked paper.

What's available

- If the student has a university place pending, we advise that you request a priority review of marking as soon as possible.
- If the student doesn't have a university place pending, you can request a:
 - priority copy of the marked paper to decide if you want a clerical re-check or review of marking – *you will receive a photocopy of your exam paper.*
 - clerical re-check – *the exam board will recount the marks you have been awarded to ensure they have been added up correctly.*
 - review of marking – *your exam paper will be re-marked.*

No grade protection

Grade protection does not apply to any post-review services that include a review of marking. This means that students' marks and subject grades may be lowered, confirmed or raised as a result.

Fees apply for all services and will vary depending on the awarding body.

Please speak to a member of the exams team urgently if you wish to apply for any of the listed services. The Exams Team will be available on results day (Lower Hex for A Level & Sports Hall for GCSE) for any advice you may need. After results day please email exams@lymmhigh.org.uk
