Claviere ski resort – Summary from the resort below

Skiing/boarding in Claviere is a sporting experience of pure enjoyment, immersed in the enchanted landscape of forests and snowy peaks. Claviere is perfect for skiers of all abilities.

In the heart of the Italian Milky Way (Via Lattea, in Italian), Claviere offers pistes of all difficulty levels as well as fast, modern lifts, linking to the 300+ kilometres of pistes that comprise the entire ski area.

To give a little international flair to your day on the mountain, you can join up with the French pistes of Montgenèvre and then ski back into Italy via the challenging and extremely scenic Colletto Verde run, an unmissable opportunity for more advanced skiers.

More advanced skiers can purchase an additional lift pass for a small supplement (TBD) to access a larger ski area.

Hotel Miramonti - Claviere, Italy

The Hotel Miramonti is a small family run hotel located in Claviere just a few minutes walk from the ski school meeting point and the village. The hotel is traditionally furnished and a comfortable lounge area for our evening activities. The hotel is family run and we will be provided with homecooked food. Hot lunches can be taken back at the hotel in between ski lessons. The hotel has a capacity of 69 so given there are 50 students and 5 staff on the trip we will almost have the hotel to ourselves.

Tour operator

We have again chosen to book our ski trip through Select School Travel, a specialist school tour operator with over 10 years' experience. Select School Travel are fully bonded by ABTA and all of their tours are ATOL protected. They are also members of the School Travel Forum and have been awarded the Learning Outside the Classroom Quality Badge. For more information on Select School travel, please visit [Select - About us \(selectschooltravel.com\)](https://selectschooltravel.com). We have worked with Select School Travel for a few years now and have never had anything less than a fantastic experience.

What to do next

Please be aware that there are **only 50 places available** on this ski trip. If you would like your son/daughter to participate, **please complete the expression of interest reply slip below and return to Mr. Barnett no later than Wednesday 1st October 2025.** To ensure fairness, students who have been on previous Lymm High School ski trips will not be eligible for a place on this trip.

Should more than 50 students express an interest, names will be drawn at random, and you will receive an electronic letter, via ClassCharts, during the week commencing **Monday 6th October** confirming your child's place.

If your child secures a place on the ski trip, an **initial deposit of £200** will be required before or on **Wednesday 15th October 2025**, with a further payment of **£200 due on or before Friday 12th December**. *4 further payments of £350 will be required throughout 2026. Details and dates to pay the remaining balance will follow.*

Once all initial trip deposits have been received and a list of attendees produced, the majority of communication will be via ClassCharts. It is important to ensure that you have access to this. A pre-departure information evening will be held in January or February 2027. Unsuccessful students will be placed on a reserve list.

Yours sincerely,

Mr. W Barnett
